

## PROJECT TITLE: De La Vina Street Bridge Over Mission Creek Replacement Project

### PROJECT OVERVIEW:

The project will involve the replacement of the existing, structurally-deficient bridge with a new structure along Mission Creek. In addition, there will be pedestrian and bicycle improvements made on De La Vina Street between Vernon and Alamar Streets.

### PROJECT BENEFITS:

The replacement bridge will be constructed in accordance with the requirements of the federal-aid Highway Bridge Program, Environmental Permits, current American Association of State Highway and Transportation Officials, and local standards. Additional lighting will be added near the new bridge, along with non-invasive native riparian plantings.

### QUICK FACTS

**Location:** Adjacent to the intersection of De La Vina Street and Vernon Road

**Construction Schedule:** spring 2023

**Total Project Costs:** \$18,000,000

**Funding Source:** Federal Aid Highway Bridge Program and Local Funds
