

Program Year 2021 City of Santa Barbara Consolidated Annual Performance and Evaluation Report

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The 2021-24 Consolidated Plan, section SP-45, identifies the City's priority needs and activities, from which the Housing and Community Development Objectives and Outcomes identified in the Plan are based:

- 1. Assisting the Homeless
- 2. Decent Affordable Housing
- 3. Decent Housing Availability
- 4. Public Facilities and Infrastructure Improvements
- 5. Economic Opportunity

A number of separate program strategies and funding sources were developed to address each priority. The below Table 1 - Accomplishments – Program Year & Strategic Plan to Date describes the progress made during this second Program Year of the Consolidated Plan period, in each of the priority areas.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected Strategic Plan	Actual Strategic Plan	Percent Complete	Expected Program Year	Actual Program Year	Percent Complete
Assisting the Homeless	Homeless	CDBG:	Homeless Person Overnight Shelter	Persons Assisted	7,475	2,394	32%	1,543	1,232	80%
		HOME:	Rental units constructed	Household Housing Unit	0	0	0	0	0	0
Decent Affordable	Affordable Housing	HOME:	Tenant-based rental assistance / Rapid Rehousing	Households Assisted	205	85	41%	75	46	61%
Housing Public Housing		HOME:	Tenant-based rental assistance / Security Deposit	Security Deposit Loans	40	23	58%	13	8	62%
		CDBG:	Rental units rehabilitated	Household Housing Unit	50	61	122%	10	23	230%
Decent Housing Availability	Affordable Housing	CDBG: HOME:	Homeowner Housing Rehabilitated	Household Housing Unit	0	0	0	0	0	0
		CDBG:	Other- Fair Housing	Other	5	2	0	1	2	0
Public Facilities and Infrastructure Improvements	Non-Housing Community Development	CDBG: \$	Public Facility or Infrastructure Activities other than Low/Mod. Income Housing Benefit	Public Facilities	20	12	60%	4	7	150%
Economic	Non-Housing Community Development	CDBG:	Public service activities other than Low/Mod. Income Housing Benefit	Persons Assisted	100	33	33%	0	0	0
Opportunity	Non-Housing Community Development	CDBG: \$	Businesses assisted	Small Business loans	10	0	0	3	0	0

 Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

As identified in Table 1, CDBG and HOME funds have worked to address the priorities and objectives identified in the City's Consolidated and Action Plans. During the second year Consolidated Plan period the City exceeded most of its strategic plan goals. Two strategic plan goals were below expectations during the 5-year period: Economic Opportunity public service activities and small business loans. The city did not receive funding applications for any self-employment training programs targeted to low and moderate-income business owners, or persons wishing to start a business and thus that goal fell below expectations. City Staff is actively looking for programs to apply for funding in the upcoming program year. The small business loan fund was below expectations due to the shortage of available Revolving Loan funds in recent years. Loans are expected to resume in Program Year 22.

All high and medium priorities identified in the City's Consolidated Plan have received CDBG and HOME funding and are detailed in Table 1 above.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

	CDBG	HOME
White:	1256	50
Black/African American:	94	2
Asian:	11	2
American Indian/Alaskan Native:	50	
Native Hawaiian/Other Pacific Islander:	3	
American Indian/Alaskan Native & White:	76	
Asian & White:	11	
Black/African American & White:	14	
American Indian/Alaskan Native & Black/African		
American:	31	
Other multi-racial:	606	
Total	2,152	54
Hispanic	263	16
Not Hispanic	1847	38

 Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The persons assisted with CDBG and HOME funds are racially and ethnically diverse. The HOME data provided in Table 2 was determined using the City's client database rather than relying on data provided by IDIS, as the IDIS data is not inclusive of all clients served. The table above also contains categories that are not included in IDIS.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	1,372,748	\$1,162,905
HOME	public - federal	603,817	\$256,946
Other (CARES Act)	public - federal	\$24,973.19	\$6,333.54

 Table 3 - Resources Made Available

Narrative

A total of \$1,162,905 in CDBG funds (Entitlement and Revolving Loan) was expended and a total of \$256,946 in HOME (Entitlement, CHDO and Program Income) was expended during 2022. Additionally, \$ \$6,333.54 in CARES Act (CDBG-CV) funds were expended.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
City of Santa Barbara	100	100	Funds used City-wide with emphasis on low-mod census tracts 8.01, 8.04, and 13.04.

 Table 4 – Identify the geographic distribution and location of investments

Narrative

The City of Santa Barbara utilized CDBG and HOME funds for projects/programs operated citywide. However, the majority of the construction projects were targeted to the most-needy neighborhoods: those census tracts with 51% or more of the residents who are low- or moderate-income (census tracts 8.01, 8.04, and 13.04. These areas are also areas of racial/minority concentration.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

Local funds were leveraged with federal funds to address the needs identified in the Annual Consolidated Plan.

Fiscal Year Summary – HOME Match	
1. Excess match from prior Federal fiscal year	\$870,997.68
2. Match contributed during current Federal fiscal year	\$73,239.63
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	\$944,237.31
4. Match liability for current Federal fiscal year	\$0
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	\$944,237.31

 Table 5 – Fiscal Year Summary - HOME Match Report

Match Contribution for the Federal Fiscal Year

Project No. or Other ID	Date of Contribution	Cash (non-Federal sources)	Foregone Taxes, Fees, Charges	Appraised Land/Real Property	Required Infrastructure	Site Preparation, Construction Materials, Donated Iabor	Bond Financing	Total Match
670	FY 2021					\$28,414.86		\$28,414.86
718	FY 2021					\$3,648.89		\$3,648.89
730	FY 2021					\$41,175.88		\$41,175.88

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderateincome, and middle-income persons served.

	One-Year Goal	Actual
Number of homeless households to be provided affordable housing units	88	54
Number of non-homeless households to be provided affordable housing units	10	23
Number of special-needs households to be provided affordable housing units	0	0
Total	98	77

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through rental assistance	88	54
Number of households supported through		
the production of new units	0	0
Number of households supported through		
the rehab of existing units	10	23
Number of households supported through		
the acquisition of existing units	0	0
Total	98	77

 Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

Good progress was made during the program year. Outcomes exceeded projections. One project was completed which rehabilitated a total of 23 housing units that receive project based rental assistance.

Three activities provided TBRA assistance to 46 new persons, and one activity provided security deposit loans to 8 new persons. Cumulatively, these four activities have provided assistance to 54 persons. It should be noted that IDIS report PR 23, counts clients in the program year that they were entered in IDIS rather than when the client was actually served, thus it does not provide an accurate count of new clients served during a particular program year. The numbers provided in Table 12 above correspond to the actual number of new persons served during the program year based on client-count data provided in performance reports submitted by subgrantees.

Discuss how these outcomes will impact future annual action plans.

In the City's future Annual Action Plans, the City will continue its commitment to providing affordable housing to the extent possible, based upon the availability of funds and a project's viability. The City anticipates that it will continue to focus its efforts (and funding) to assist in providing direct rental assistance via TBRA activities.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Persons Served	CDBG Actual	HOME Actual
Extremely Low-income	1,908	42
Low-income	108	9
Moderate-income	64	3
Total	2,080	54

 Table 13 – Number of Persons Served

Narrative Information

The vast majority of CDBG and HOME funds went to assist extremely-low and low income persons.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c) Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Actions taken during the last year to address needs of homeless persons are described in Goal 1 – *Assisting the Homeless* on the Annual Goal and Objectives section of the Action Plan, and are reported on in the attached PR 03 report.

In addition, the City continued support of numerous outreach and assessment programs for homeless individuals. They are:

- **City Net** Since 2019, the City has contracted with City Net to provide street outreach and casemanagement services to persons experiencing homelessness in Santa Barbara. In partnership with the network of service providers operating in the City, City Net has been instrumental in increasing the number of street exits. City Net works closely with Cottage Hospital, Santa Barbara Police Department, and various service providers to coordinate outreach services, and are often the first line of response to our unhoused population.
- Noah's Anchorage Street Outreach This program serves young people, ages 16-24, by providing outreach to youth on the streets on a regular basis. Services are aimed specifically at marginalized youth populations that are not seeking services through other community-based organizations.
- New Beginnings Safe Parking The Safe Parking Program provides overnight safe parking and case management assistance to individuals and families who live in their vehicles. This program provides weekly street outreach with community volunteers to reach out to newly homeless and connect them with services.
- Freedom Warming Centers Volunteer outreach teams are notified of weather related warming center activations to notify homeless individuals.
- Willbridge This supportive housing program offers a peer street outreach team that interacts with homeless individuals (including disabled, minorities, women, seniors, etc.) on a weekly basis to provide basic essentials, evaluate well-being, and offer encouragement to become housed.
- South County Coordinated Outreach Team The City has started participating in the County's SCCOT weekly meetings, which brings together various service providers including Behavioral Wellness, Public Defender staff, City Net, Good Samaritan and more to discuss areas and individuals in need of outreach and case management services.
- Santa Barbara Police Co-Response Officer In January 2021, the SBPD added a Co-Response Officer position. This Officer is trained in responding to and helping people in crisis. The department's Co-Response Officer is partnered with a licensed mental health clinician. Together, the team has responded to approximately 600 calls involving people in crisis. Many of these calls involve members of our homeless community, who often suffer from mental health issues and drug or alcohol addiction. The SBPD attempts to assist members of the homeless community with reunifying them to family, assistance programs, or work opportunities. The department's Co-

Response Officer currently handles this assignment. Over the last year, the SBPD has successfully reunified 63 people.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City continued to address emergency shelter and transitional housing needs of homeless individuals and families through support of homeless programs such as:

- **PATH Winter Shelter** for emergency overnight shelter during nights with dangerous weather conditions;
- **PATH** for year round emergency beds, temporary and transitional shelter, and social services;
- **Transition House** for emergency shelter temporary and transitional, meals, childcare and job assistance;
- **Domestic Violence Solutions** for temporary shelter, supportive services and transitional assistance for homeless battered women and their children;
- **Freedom Warming Centers** to provide overnight shelters to homeless individuals at local churches to avoid hypothermia and avoid death on winter nights with dangerous weather conditions;
- Salvation Army Hospitality House for transitional shelter and case management to homeless men and women;
- **Sarah House** for full supportive services in a complete care residential home for special needs persons with AIDS and terminal illnesses;
- **St. Vincent's** for transitional housing and independence skills training for single mothers and their children;
- Noah's Anchorage Youth Shelter for temporary housing and crisis intervention services for homeless, runaway or disenfranchised youth;
- My Home for transitional housing for youth aging out of foster care; and
- WillBridge for temporary shelter as an alternative to incarceration for those with mental illness.

Additionally, during the program year, the city allocated non-federal funds for bridge housing projects at local hotels to place persons living in encampments into hotels to stabilize them and make them document ready for housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City helped prevent low-income individuals and families with children (especially those with incomes below 30% of median) from becoming homeless through continued support of programs such as the Rental Housing Mediation program, Fair Housing Enforcement Program, Legal Aid, PATH, and Transition House, all of which have substantial programs to assist in homeless prevention. Transition House offers a homelessness prevention program to assist very low-income households increase their earning potential and improve their household finance management. The Housing Rehabilitation Loan Program

rehabilitates substandard multi-family buildings and implements affordability controls. The Rental Housing Mediation program assists and/or mediates disputes between tenants and landlords to prevent the possibility of displacement/homelessness. The Fair Housing Enforcement Program investigates reported cases of housing discrimination and educates the public on housing rights and responsibilities. Legal Aid provides legal services regarding uninhabitable residences, evictions, and unlawful detainers. PATH coordinates with Cottage Hospital to receive homeless individuals who need respite beds.

In addition, the City contracted with SB ACT to establish a citywide collaboration between homeless service providers; elected representatives; community leaders; and advocacy groups, which is intended to prevent duplication of effort and better serve homeless individuals, families and persons at risk of homelessness. One of the workgroups facilitated by SB ACT is a homelessness-prevention workgroup.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City supports a variety of organizations that helped homeless persons make the transition to permanent housing through supportive programs. Transition House operates a 60-bed transitional homeless facility, which was supported with CDBG funds. The facility offers a full range of homeless transitional services (such as housing, jobs, medical, and child day care). People who graduate from this program move to the "Fire House" where they continue learning life skills, such as budgeting, and saving for first month's rent and security deposits for permanent housing. Transition House also owns two 8-unit apartment buildings that are used as the next transitional step for their clients who graduate from the Fire House program to permanent housing.

Domestic Violence Solutions Second Stage Program provides permanent supportive housing to families who experienced domestic violence who came through its emergency shelter. PATH provides interim housing and Rapid Rehousing programs, which provides short term rental assistance, supportive services, and case management. New Beginnings Counseling Center provides case management and Tenant Based Rental Assistance. Channel Islands YMCA My Home provides supportive housing services to youth emancipating from the foster care system and are residing at Artisan Court. In addition to providing CDBG assistance to the activities described earlier in this report, the City provided General Funds to support these programs.

As described in Goal 2 –Decent Affordable Housing, the City also provided Tenant Based Rental Assistance funds for homeless persons to the Housing Authority, PATH and Transition House, and New Beginnings Counseling Center. The Housing Authority also operated a Security Deposit Ioan program using HOME Program Income funds, as listed in the affordable housing goals section of this report.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The needs of public housing are addressed in the Public and Assisted Housing section of the Consolidated Plan. In addition, the Housing Authority's Five-Year Action Plan, for the period of April 1, 2019 through March 31, 2024 examines the community's affordable housing needs and charts the Authority's course to help address these needs by establishing measurable goals and objectives for improving operations and furthering its mission to provide affordable housing.

Within the Housing Authority's current Five-Year Action Plan period, several new developments have been purchased or constructed, most recently: The Gardens on Hope, 89 units reserved for seniors at 60% AMI or below, and Johnson Court, which provides 17-studio units for very low and low-income homeless veterans. Currently under construction and expected to be completed in early 2023, Vera Cruz Village will provide 28 studio units for very low- and low-income homeless/special needs persons. Additionally, the Housing Authority is in the planning phase for two new developments: Bella Vista at 200 N. La Cumbre Rd. will provide 48 one, two and three-bedroom apartments for low-income families, and Jacaranda Village at 400 W. Carrillo St. with 63 studios, one- and two-bedroom units for moderate/middle-income workforce.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority has empowered a Resident Council/Resident Advisory Board, made up of Section 8 participants and residents living in Housing Authority's properties (RAD, formerly Public Housing), to serve as a focal point of information and feedback to the Housing Authority. Periodic resident surveys are coordinated by the Resident Council to solicit valuable input from those who might not otherwise voice their opinions. The role of the Resident Council is invaluable as it affects current and future program/grant evaluation and development. The Housing Authority will continue to assist in coordinating this resident council.

The Housing Authority is also operating a Family Self-Sufficiency Program (FSS). This program is designed to allow Section 8 participants to move up and out of assisted housing. Of particular note is the fact that a high number of the Housing Authority's current FSS participants have set up their own businesses, pursued higher education and enhanced employment opportunities. To date, 344 residents have graduated from the Family Self-Sufficiency program; 111 of which are off all forms of housing assistance, and 48 of which are first-time homeowners.

The Housing Authority also has two tenants represented on the Housing Authority Commission. The Housing Authority is also represented through staff's participation on the City's Community Development and Human Services Committee, which oversees the CDBG funding process and recommends funding allocations to the City Council.

Actions taken to provide assistance to troubled PHAs

N/A. The Housing Authority of the City of Santa Barbara is not, and has never been, categorized as a troubled PHA by HUD. The Housing Authority is a "High Performer" under the Section 8 Management

Assessment Program.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The City continued to provide land use and financial incentives in cooperation with the Housing Authority of the City of Santa Barbara and private developers to use underutilized and small vacant parcels to support affordable development on infill sites.

The City continued to implement inclusionary housing requirements on new ownership and rental developments to provide below deed-restricted market rate units with private development.

The City continued to support lot consolidation and development on small infill sites and pursued the development of City-owned property for affordable housing in coordination with the Housing Authority of the City of Santa Barbara.

The City continued to operate the multifamily HRLP Program, to help preserve existing rental housing stock and in some cases allowing the rehabilitation of apartments at non-conforming General Plan densities and zoning standards.

The City implemented new development regulations related to Accessory Dwelling Units (ADU) and Junior Accessory Dwelling Units that reduce barriers, streamline approval and facilitate the development of ADUs.

The City continued to implement actions identified in the 2015-2023 Housing Element to expedite the review process for residential infill and affordable housing projects.

Through the Average Unit Density (AUD) Program the City continued to support construction of smaller units intended to meet the housing needs of a portion of the workforce. Increased densities and development standard incentives are allowed in most multi-family and commercial zones of the City to promote additional housing. Rental, employer-sponsored, and limited equity housing cooperative units that provide housing opportunities to the City's workforce are encouraged. Minimum parking requirements for AUD Program projects were removed in the Central Business District.

The City enacted one-year mandatory leases for rental units within the City, whereby landlords are required to offer a one-year lease to prospective tenants.

The City continued to advocate for and pursue federal, state, local and private funding sources for affordable housing. The City continued the provision of quality affordable housing with complementary design to enhance compatibility with the surrounding area. The City continues to provide opportunities for neighborhood input on project design.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The major obstacles include the high and sustained demand for public services, as well as the lack of funding. To address these obstacles the City made the most use of the City's available resources by undertaking the various activities outlined in this report.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City implemented HUD Lead Based Paint Regulations (Title X), which requires federally funded rehabilitation projects to address lead hazards. Lead-based paint abatement is part of the City's Multifamily Housing Rehabilitation Loan Program (HRLP). Units within rental housing projects selected for rehabilitation are tested if not statutorily exempt. Elimination or encapsulation remedies are implemented if lead is detected, and is paid for using CDBG funds.

Further, informational brochures are made available at the public counter on the risks of lead based paint, and are provided to outside groups, such as real estate offices and neighborhood associations. City staff has been trained on current Lead Based Paint Regulations and will respond to code compliance cases involving lead based paint.

To reduce lead-based paint hazards in existing housing, all housing rehabilitation projects supported with federal funds are tested for lead if not statutorily exempt and asbestos. When a lead-based paint or asbestos hazard is present, the City or the City's sub-grantee contracts with a lead / asbestos consultant for abatement or implementation of interim controls, based on the findings of the report. Tenants are notified of the results of the test(s) and the clearance report(s). In all cases defective paint surfaces must be repaired. In situations where a unit is occupied by a household with children under the age of six, corrective actions will include testing and abatement if necessary, or abatement without testing.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City of Santa Barbara's anti-poverty strategy includes both policy initiatives that address structural causes of poverty, and the funding of economic and social programs that enable low-income clients to move towards self-sufficiency and end the cycle of poverty. This is enabled through funding and management of the City's Human Services grants and related programs. The City's Housing Authority also operates a Family Self- Sufficiency Program (FSS) to allow Section 8 participants and public housing tenants to move up and out of assisted housing.

The City's goal in this regard is to ensure that an individual or family has enough income, as well as knowledge, personal skills, and support systems necessary to secure safe and affordable housing, obtain quality child care, fulfill education and employment goals, access physical and mental health services, save money for future needs, obtain nutritious food and acquire basic necessities such as clothing, and build strong, stable families. The City continued to focus on self-sufficiency as its primary anti-poverty approach through the Consolidated Plan, by administering existing programs and implementing initiatives for new human service programs.

Good progress was made towards achieving the goals listed in the Consolidated Plan anti-poverty strategy. Housing and services were all created and utilized by those below the poverty line to achieve dominion over their affairs.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

Santa Barbara is characterized by a capable and extensive housing and community development delivery system. Strong City and County agencies anchor the federal programs and housing and community development programs the City is able to support. In the community, there is a large network of experienced non-profit organizations that deliver a full range of services to residents.

The Community Development Department maintained direct communication with other City departments when revising or updating housing policies, issues and services. Through regular contact and inter-departmental working relations, City staff implements programs and services and tracks issues of concern. This process allows easy access to data on building activity, housing conditions, code requirements, zoning, growth issues, employment trends, and other demographic data. The Housing Authority of the City of Santa Barbara is integral to implementing the City's affordable housing program, including activities for acquisition/rehabilitation, preservation of assisted housing, and development of affordable housing.

In addition to the City's internal network, through its federal entitlement and other resources, Santa Barbara interacted with various non-profit agencies and public service groups in the delivery of programs. These agencies are assisted by City staff in planning programs and projects, ensuring activity eligibility and costs, complying with federal regulations and requirements, and monitoring the timely expenditure of annually-allocated program funds. The City required agencies to submit monthly and annual reports to meet federal requirements, and periodically conducts sub-recipient audits and on-site reviews.

Also, the City participated in a technical working committee called the Cities-County Joint Affordable Housing Task Group, which meets on a regular basis to share information and address regional housing issues. The group consists of elected officials from the County of Santa Barbara and the Cities of Santa Barbara, Carpinteria and Goleta, as well as staff from the City and County Housing Authorities, the Metropolitan Transit District, local universities, and local housing providers.

In addition, the City continued the SB ACT homelessness collaborative described earlier in this report.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Coordination between public agencies providing housing resources, assisted housing providers, private and governmental health, mental health and human service agencies are critical to the delivery of viable products/services.

As stated earlier, in an effort to enhance coordination, the City participates on the Continuum of Care Board, and funds the SB ACT Homelessness collaborative.

In addition, one of the roles of the Community Development and Human Services Committee is to foster integration, coordination and cooperation of human service providers in the City of Santa Barbara in order to better serve human needs.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Actions that supported the City's first goal to increase access to affordable, decent housing.

- The Cities-County Joint Affordable Housing Task Group met quarterly to deal with the issue of affordable housing on a regional basis. Also, the City worked with the County on a comprehensive homeless grant for HUD Continuum of Care funds.
- The City of Santa Barbara operated and funded the Multifamily Housing Rehabilitation Loan Program in order to maintain affordable housing stock, especially for low-income and special needs tenants. One multi-unit project was completed. The City worked with Transition House, a local CHDO, to acquire and rehabilitate three single-family homes in one lot. This project was delayed due the Covid-19 pandemic but is slated to complete construction in December 2022. Also, the City maintained its policy of scattered site development and encouraged affordable housing project developers to build in non-low income neighborhoods, preferably near community services.
- As discussed in CR-35, in an effort to create more housing, the City instituted the AUD program to support the construction of smaller, more affordable residential units near transit and within easy walking and biking distance to commercial services and parks. Numerous mixed-use buildings have been constructed or are under construction.

Actions that supported the City's second goal to address disproportionate needs and access to opportunity through public services.

• The City supports several transitional housing programs including Transition House and the Council on Alcoholism and Drug Abuse's residential detox program. Additional transitional housing efforts are detailed in the Homeless Needs section of this report.

Actions that supported the City's third goal to promote fair housing services and education.

- The City of Santa Barbara funded its Fair Housing Enforcement Program. The City promoted the Fair Housing program on the City websites to highlight Fair Housing laws at the federal, state and local level, with resources to seek additional help.
- The City of Santa Barbara maintained its Rental Housing Mediation Program (RHMP) using General Funds. The Rental Housing Mediation Program disseminated information regarding tenant/landlord education through client consultations (in-office, telephone and internet). The program served approximately 1,076 households with rental housing related disputes.
- The City required all new housing developments to meet disabled-accessible standards. A separate committee, with at least one disabled person on it, reviewed development plans for all

new construction to ensure compliance with standards.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements Community Development staff monitored project activities on a regular basis. A CDBG Construction Projects Manual was provided to sub-grantees to inform them of HUD regulations, such as Davis-Bacon and Section 3, and required documentation. The City also incorporates all CDBG requirements into its subrecipient agreements.

Public Service sub-grantees submitted quarterly progress reports documenting clients served, expenses, and achievement of specific goals and objectives. Also, members of the Community Development/Human Services Committee conducted virtual site visits to each funded project.

Capital projects were monitored by regular project status reports throughout the course of the project, and regular communication with each project construction manager. HOME projects are inspected and monitored in accordance with HOME program requirements.

Year-end or project completion reports are required of all sub-grantee agencies. Staff utilizes these reports in completing performance reports.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The FY 2021 Consolidated Annual Performance and Evaluation Report was made available to the public and interested parties beginning September 12, 2022 for a fifteen-day period. The report was made available for public review on the City's website homepage. In addition, a "Public Notice" for the public review period was published in the local newspaper.

A public hearing was be held on the Consolidated Annual Performance and Evaluation Report on September 27, 2022.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The jurisdiction had a successful year implementing the CDBG and HOME program during Program Year 2021 despite interruptions caused by the COVID-19 pandemic, and funds were disbursed in a timely manner. Even though CDBG and HOME funds have significantly decreased during the last two Consolidated Plan periods, the City and its subgrantees have continued to provide their much-needed services to low and moderate income residents. Those organizations that no longer receive CDBG funding are still supported with City General Funds. All proposed construction and rehabilitations activities are complete or underway.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

We will be conducting inspections that were not completed due to COVID-19 mandates. Several properties will be inspected by the end of this year while the remaining will be inspected within the first couple months of 2023.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

The City has implemented Affirmative Marketing Requirements for projects containing 5 or more HOME assisted units to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women and in all contracts entered into by the City with its sub-grantees and review of sub-grantee's contracts with general contractors and sub-contractors. The multi-family program is overseen by the Housing Project Planner and the ownership program is overseen by the

Housing Programs Specialist and includes, but is not limited to advertising, on-site staff training, recordkeeping, application & selection process and when applicable review of sub-grantee contracts with general contractors and sub-contractors.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

Out of \$212,474 in HOME funds spent on Tenant Based Rental Assistance and Security Deposit assistance, \$93,169 was HOME Program Income funds. Three activities provided TBRA assistance to 46 persons, and one activity provided security deposit loans to 8 persons. The majority were 0%-30% of the AMI. It should be noted that IDIS report PR 23, counts clients in the program year that they were entered in IDIS rather than when the client was actually served, thus it does not provide an accurate count of new clients served during a particular program year.

Describe other actions taken to foster and maintain affordable housing. 91.220(k)

All of the City's efforts to foster and maintain affordable housing are identified in sections CR-20 and CR-05 of this report. Those efforts include the Multifamily Housing Rehabilitation Loan Program for rental units, and the City's affordable housing program for acquisition and construction of affordable housing.

Narrative

No CDBG Public Facilities and Infrastructure Improvements or HOME Projects qualified as a Section 3 Final Rule project. Projects that qualified as a Section 3 project under previous regulations followed those regulations. Good progress has been made to create implement the new Section 3 Final Rule for upcoming qualifying projects including developing the City of Santa Barbara's Section 3 plan, implementing data collection procedures, and identifying qualitative opportunities.

2019	Remodel the restroom. The scope of work included demolishing all finishes, plumbing, plumbing fixtures, electrical fixtures and roofing material. The new work consisted of installing floor epoxy, wall tile, stainless steel partitions, plumbing, plumbing fixtures, lighting fixtures. The exterior work consisted of installing a clay tile roof and adding an accessible drinking fountain with a bottle filling station. The project is 50% complete as of June 30, 2020.	
2020	This project made some progress in program year 20. The restroom was completely rehabilitated, and portions of the park improvements have been completed, including accessibility improvements, new picnic area, walking paths, landscaping and irrigation. The overall improvements are about 60% complete. Issues have arisen with the contractor not completing the project as scheduled and the City is taking legal action to terminate the contract.	
2021	This project is 100% complete. Improvements accomplished this year include: Installed new grass (sod) and a state-of-the-art irrigation system, new concrete mow strip, new concrete accessible entrance and walkways, new picnic tables, a large reservable accessible picnic area, a small drop-in accessible picnic, new fence along the street, and new landscaping.

2020	This project is 40% complete. Work completed as of June 30, 2021 includes design and drawings. Purchase of the playground and demolition of the existing playground remains. Completion is expected in winter 2021.	
2021	Project is 100% complete. The project replaced playground equipment at the the Westside Community Center. The playground is 3,000 sq.ft. and focus' on providing a fun and safe active play area for children ages 5-12 years old. There is a playground structure with two slides and a climbing wall, plus a swing set. The existing safety surfacing has been replaced with new poured-in-place rubber surfacing.

Padre Pio continues to leave his positive impact

ews item: After preparing for the lead role as a Capuchin friar in a movie about Padre Pio, actor Shia LaBeouf claims to have become a devotee of the Christian mystic who, in 2002, was canonized into sainthood. "Padre Pio" will premiere at the Venice Film Festival this week, just two weeks before Pio Feast Day on Sept. 23, the date on which St. Pio

passed into eternity at age 81 in 1968. "Pio saved my life," Mr. LaBeouf, 36, told Bishop Robert Barron of the Archdiocese of Los Angeles in an interview posted on YouTube. "The task is to play one of the most spiritual men that ever lived. If you like immersive experiences and you get tasked with playing Pio, your life is going to change."

The actor, who grew up in Santa Ynez, had earlier hit rock bottom due to public scandals over

sexual battery

allegations and rehab for

alcoholism. 'Nobody wanted to talk to me,

including my

LaBeouf.

mother," said Mr.

He credits Pio

I didn't want to

with saving him from thoughts of THE INVESTIGATOR suicide. "I had a **ROBERT ERINGER** gun on the table.

be alive anymore. Shame like I had never experienced before. I had nowhere to go; this was the last stop on the train.'

This type of spiritual pathway, hitting rock bottom, is known as adamic ecstasy.

Mr. LaBeouf's conversion will come as no surprise to those familiar with St. Pio, around whose legend a 6,000-seat, 65,000square foot shrine (which houses his tomb) was constructed in San Giovanni Rotondo, Italy, where, for most of his life Pio, born Francesco Forgione, lived a spartan existence as a monk.

Abel Ferrara, the movie's 71-year-old Bronx-born director, best known for "Bad Lieutenant" (a 1992 flick starring Harvey Keitel), cast Mr. LaBeouf at the suggestion of Willem Dafoe, who also appears in the film. Says Mr. Ferrara, "He (Shia) is the kind of actor that the next minute jumps in his pick-up truck and he's driving to a monastery in California.'

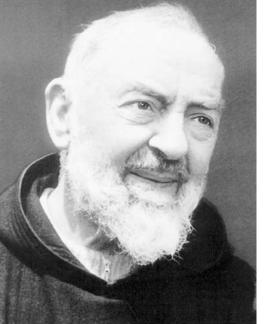

In fact, Mr. LaBeouf spent several months in a Capuchin monastery in Northern California prepping for this role.

"When I got there," says the actor, "a switch happened," meaning a switch in his mind that changed his perspective on life. While filming in Rome, Shia — as is his acting style— totally immersed himself into everything Padre Pio, including the use of a bed in which Pio had slept.

Mr. Ferrara's father was born near Pio's hometown of Pietrelcina, 20 miles from Naples. He has been living and working the past couple decades In Italy.

The plot of his film focuses on Pio's arrival at the monastery in 1916, followed four years later by the massacre of San Giovanni Rotondo in which 14 people were killed when police opened fire on a crowd of socialists who had just won the mayoral election, had the result denied to them by the ruling class (church leaders and landowners) and in defiance attempted to install the true victor at the municipal building.

The ensuing conflict — along with rampant poverty — led to the spread of fascism throughout Italy. A practicing Buddhist now celebrating 10 years of sobriety, Mr. Ferrara has dedicated his movie to the victims of that massacre along with the people of Ukraine. "I thought about the confluence between the massacre and Pio's stigmata both happening at the same place at the same time...," he explained to The Associated Press. "I mean, how can you not make a movie about that? What I'm looking at is a rerun of World War II. Seventy-five million people died 70 years ago. It's happening right here in front of our eyes. You're looking at the end of the world. Rave reviews have already appeared for the trailer alone. States one, "We can already see the actor's convincing depiction of the much-admired friar ... the viewer gets a spine-tingling glimpse of Padre Pio's life and the challenges he had to contend with as a stigmatist while a world war raged.' One person who might not have given it a thumb's up is Padre Pio himself, who was known to have a low opinion of television and the movies, believing it destroyed family life. He refused to watch the friary's only television set and once said, "The devil is in the cinema."

ELIA STELLUTO PHOTO / WIKIMEDIA COMMONS

never heard of Padre Pio, and I've no idea what he looks like. I'm happy to do it if you bring me a photograph.'

Padre Pio

This was easy for Luigi as he, like many Italians, are devoted to Pio, whose prayer card, and other such amulets, they carry with them. Or, as movie director Abel Ferrara puts it, "He is an iconic figure, on the back of every truck. He's the saint of every drug dealer in Naples."

My father was born in the Bronx to a Jewish family who emigrated to America from Poland/ Russia in 1913, probably to escape religious oppression. He did not grow up in a religious environment; certainly, none of the traditions of his heritage were handed down to him, or to me.

Luigi presented my father with a photograph of Pio and explained that pilgrims traveled from all parts of the world to visit the Italian town of San Giovanni Rotondo, where Pio had lived a humble existence in a monastery. (As a monk, he existed in a small, sparse cell in which, Pio claimed, he engaged in active combat with the devil most nights, emerging, come morning, bruised and bloodied — in addition to the blood that continually streamed from the palms of his hands and feet.)

Even in death, explained Luigi, Padre Pio possessed magical healing powers.

For decades, the Vatican suspected Pio of causing and perpetuating his bleeding wounds. Wishing to expose him as a fraud, the Holy See dispatched a series of investigators to expose the fakery they alleged. However, they could never prove Pio's stigmata, which began in 1918, was a fraud and eventually declared it authentic.

John Paul II, the Polish pope, who revered the mystic and once (while a cardinal) took confession with him, canonized Pio to sainthood in 2002.

My father painted a portrait of Padre Pio and gifted it to Luigi a few days before his heart surgerv.

Overjoyed, Luigi prayed to Pio's likeness, entered the hospital with confidence and bounced back from surgery with new vim and vigor. Thereafter, he no longer suffered the nervous disorders that had plagued him for many years

Luigi felt cured, and he credited Padre Pio -my dad's portrait of Pio-for his recovery.

WORD GETS AROUND

TABERCIL / WIKIMEDIA COMMONS Shia LaBeouf

portraits after all, the man's demeanor turned snarly and menacing — another devil exposed. My father passed away in 2008 — on St. Pio Feast Day.

THE PADRE PIO FOUNDATION

About to embark on a road trip through New England in 2017, I discovered that The Padre Pio Foundation of the U.S.A. is situated in Cromwell, Conn., not two miles off I-91, the route from Washington, D.C. to Portland, Maine.

A white clapboard structure houses the foundation. I entered and donated one of my father's Pio portraits with a typescript explaining his spiritual connection to the mystic. She pointed me to the chapel at the end of a hallway. It was simple, like a small-town church, featuring a crucifixion centerpiece, statuettes of the Virgin Mary, fresh flowers. I lit a candle for my father and took a pew to contemplate my dutiful presence here.

Earlier in the day I had visited Mark Twain's house in Hartford, Conn., and Jack Kerouac's final resting place at Edson Cemetery in Lowell, Mass., where the author of "On the Road" was born.

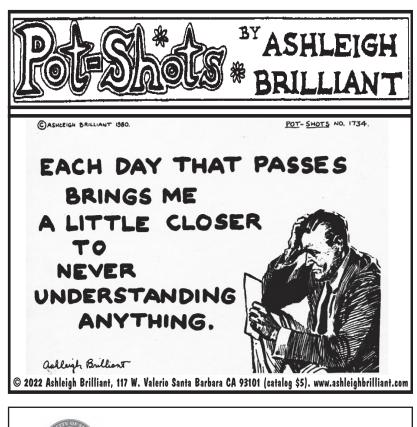

The collective experience left me overwhelmed with emotion.

A couple months after that, when my family barely survived the mudslide of Montecito, I sent to an old friend a photograph of an angel that had appeared on the ceiling of my bedroom hours before the debris flow struck our house. My father had once gifted this person with a portrait of Pio. After seeing the angel pic, my old friend emailed me his take on our miraculous escape: "This gift comes from your father, no greater gift could he give you and your family, protection. No further explanation.'

Nine months later, three days before St. Pio Feast Day and the 10th anniversary of my father's passing, I visited St. Peter the Apostle Church in Parsippany, N.J., to view Pio's relics, including his mittens, encased in a glass reliquary, mottled with dried blood that had seeped incessantly from the mystic's hands.

I could almost hear Padre Pio's famed mantra: "Pray, hope, don't worry."

And traversing the concourse at Newark Liberty Airport the next morning, I felt a certain lightness, as if I was walking on air — a tranquil ecstasy or satori — having surrendered all control to the universe.

PUBLIC NOTICE CITY OF SANTA BARBARA

2021-2022 Consolidated Annual Performance and **Evaluation Report (CAPER)**

To All Interested Persons, Groups and Agencies

The City of Santa Barbara is seeking public comment on the 2021-2022 Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER evaluates the City's performance on the 2021-2022 Annual Action Plan (AAP), which listed activities that would be performed during the year to achieve the performance measures outlined in the City's 2020-2024 Consolidated Plan (CP). The CP is a 5-year planning document which primarily determines the City's housing and community development needs, issues and resources. The CP helps the City determine strategies to address those identified needs using Community Development Block Grant (CDBG) and HOME funds.

The Draft CAPER is available online at www.SantaBarbaraCA.gov. Comments must be received by September 27, 2022. For more information, contact the Community Development Department, Housing and Human Services Division, at (805) 564-5461 or e-mail to: HHS@SantaBarbaraCA.gov.

INTERCESSION

As far as I know, the closest my father ever got to spirituality was his connection to Padre Pio, who suffered stigmata (bleeding wounds) continuously for 60 years and was known for his power of prayer to heal those in need.

My dad's unique attachment to Pio came late in life to him, around the age of 70 — and it may explain why he seemed at greater peace with himself the last 15 years of his life.

As a painter and sculptor, one of my father's creative passions was portraiture, for which he developed his own expressionist style, often unappreciated by unsuspecting subjects.

Commuting between homes in London and Monaco, he produced art in both venues and was never happier than when at work inside his studio. (This was the lesson he conveyed: "Take the time to cultivate a talent that exists within you because it will provide serenity in old age."

During their many years in Monaco, my parents made friends with Luigi, the sweetnatured custodian of their apartment building. Luigi suffered a variety of nervous ailments including claustrophobia and every so often needed convalescence in a sanatorium. His anxieties led to a heart condition, which eventually required surgical angioplasty.

Fearing the worst, Luigi asked my father to paint a small portrait for him of someone called Padre Pio so he could have it near him during the operation.

My father replied, "Of course, Luigi. But I've

During this process, my father was, oddly, taken by Padre Pio's image. He couldn't get it out of his mind and was soon (to his bewilderment) compelled to paint additional portraits of the Christian mystic.

In the early hours one night, while in Monaco, my father awoke feeling unwell. He wandered into the dark living room and noticed an unframed portrait of Pio, not yet dry, propped against the wall, barely illuminated by harbor lights in the distance. Feeling deathly ill at this point, my father sat down by the painting and prayed — perhaps for the first time in his life.

Much later that morning, after conducting tests, a doctor told my father that an ulcer in his stomach was bleeding so profusely that he was amazed my dad had survived the night.

Soon after that experience, my brother-inlaw Steven, then in his early 30s, discovered a lump on his neck that got diagnosed as a particularly aggressive tongue cancer at an elevated stage. The prognosis was bad. Doctors did not expect Steven to live longer than six months.

On hearing this terrible news, my father painted a portrait of Padre Pio and mailed it to Steven. A surgeon removed the base of Steven's tongue and radiation therapy commenced. Steven prayed to his Padre Pio portrait.

Steven made a recovery so miraculous that his physicians were left astounded and bewildered. Over 25 years later, Steven remains in complete remission.

Other such recoveries took place when my father gifted those in need with a Padre Pio portrait.

Word got around.

A French-Canadian priest devoted to Padre Pio learned of my father's portraits and one day arrived unannounced at his Monaco art studio to personally see what was going on. The priest claimed to feel Pio's presence in my father's studio. And he suggested that Pio was using my father to continue intercession healing through prayer.

Moreover, this priest expressed a desire to organize an exhibition of my father's Pio portraits at a church in Monaco. However, after some planning, my father demurred, preferring not to market or promote the special blessings these paintings seemed to possess. (One of his life-size portraits of Pio hangs on permanent display inside St. Nicholas Cathedral in Monaco.)

Another artist tried to trick my father out of his collection of Pio portraits, offering to take them away to have them professionally photographed. A cursory background check showed this person to be of poor character. When told he could not have access to the Pio

THE PUTIN REPORT

Last week, Lukoil, the \$4.8 billion Russian oil and gas giant, announced that Raval Maginov, chairman of its board of directors, 'passed away following a severe illness.'

In fact, Mr. Maginov died from injuries after falling from a window on the sixth floor of Moscow's Central Clinical Hospital. The story goes he had stepped out onto a balcony (not intended for patient use) to smoke a cigarette.

Odd coincidence: Soon after Russian dictator Vladimir Putin brutally invaded Ukraine, Lukoil's board of directors issued a press release critical of the invasion.

Dated March 3, 2022, their press release states: "Lukoil expresses herewith its deepest concerns about the tragic events in Ukraine. Calling for the soonest termination of the armed conflict, we express our sincere sympathy for all victims, who are affected by this tragedy. We strongly support a lasting ceasefire and a settlement of problems through serious negotiations and diplomacy." Why was Mr. Maginov in the hospital?

"Depression."

Which, of course, sounds like the political abuse (and weaponizing) of psychiatry (add assassination).

This is the eighth death this year of Russians associated with their country's oil and gas industry. Alexander Subbotin, a former Lukoil executive/billionaire oligarch, died in May, supposedly after seeking a hangover cure from a shaman and ingesting toad poison. Yeah, right.

CIVIL UNREST IN RUSSIA

The leader of the National Republican Army, an underground Russian military movement seeking to overthrow Mr. Putin, told Newsweek that the Russian dictator's end will come "quietly and fearfully. He will lose his head in exchange for sanctions relief" as the fall guy. However, the National Republican Army leader adds, "His cronies won't be able to get away with it either. We have taken note of every move.'

The National Republican Army claimed responsibility for the murder-by-car-bomb last month of Darya Dugina, a pro-Putin newscaster and daughter of Aleksandre Dugina, a nationalist ideologue reputed to be "Putin's brain."

Santa Barbara Airport Triennial Full-Scale Emergency Exercise

Water Main Replacement on South Ontare Road

The Airport's Triennial Full-Scale Emergency Exercise will take place Thursday, September 15. Along with the increased emergency responder traffic, people traveling along Hollister Avenue between Aero Camino and Los Carneros during this time may see simulated smoke coming from the airfield area north of the main runway. The purpose of the exercise is to give the airport, mutual aid partners and emergency responders the opportunity to train for a real aircraft emergency in a safe and controlled environment. The City is currently replacing aging water main infrastructure in order to maintain the quality and reliability of water service on South Ontare Road, San Pedro Lane, San Pablo Lane, and Santa Maria Lane. Work began last week, involving repairs to piping, valves and hydrants. Residents can expect to hear construction noise throughout the day, Monday through Friday.

Night Paving Work on West Mission Street

Night paving work will begin on West Mission Street from Modoc Road to the Mission Creek Bridge next week. Detours in the surrounding areas will be in effect to minimize construction time and ensure the least disruption to normal traffic. Striping will take place about four weeks after paving is complete.

2021–2022 Draft Consolidated Annual Performance and Evaluation Report

September 12, 2022

The City of Santa Barbara is seeking public comment on the 2021-2022 Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER evaluates the City's performance on the 2021-2022 Annual Action Plan (AAP), which listed activities that would be performed during the year to achieve the

formance measures outlined in the City' 2020-2024 Consolidated Plan (CP). The .s a 5-year planning document which primarily determines the City's housing

and community development needs, issues and resources. The CP helps the City determine strategies to address those identified needs using Community Development Block Grant (CDBG) and HOME funds.

The Draft CAPER is available online at www.SantaBarbaraCA.gov. Comments must be received by September 27, 2022. For more information, contact the Community Development Department, Housing and Human Services Division, at (805) 564-5461 or e-mail to: **HHS@SantaBarbaraCA.gov.**
