The City will not accept hardcopy, faxed, or emailed applications or attachments.

[ldrewes@santabarbaraca.gov](mailto:ldrewes@santabarbaraca.gov)

## WHAT ARE MEASURABLE OUTCOMES? (ECONOMIC DEVELOPMENT PROGRAMS)

Measurable Outcomes are specific and realistic *results or changes* that your client will experience from being in your program or receiving your service.

Measurable Outcomes have four components:

You will also be required to explain your methods used to document and track that your outcomes were achieved, i.e. surveys used, screening tools, etc.

Examples of acceptable measurable outcomes:

- ✓ By completion of this program 60% out of 100 students receiving after-school tutoring will show improvements in their grade point average.

Got more questions?

 (805) 897-2624  
 [ldrewes@santabarbaraca.gov](mailto:ldrewes@santabarbaraca.gov)

- ✓ Out of 260 persons graduating from our detox program, 85% will successfully engage in ongoing aftercare (defined as: enrolled in outpatient treatment, residential treatment/sober living, or attending 12-step groups) within 14 days following graduation.
- ✓ Of 97 clients receiving life skills classes, 67% will attain placement in employment or post-secondary education within 6 months of entering the program.

## WHAT ARE UNACCEPTABLE MEASURABLE OUTCOMES?

---

Do not confuse “Outcomes” with “Outputs”. An **Output**, is simply a unit of service or statement of process.

An example of an output is to “provide case management for 500 unduplicated homeless people”. This is not an acceptable measurable outcome because it does not state the *result* that the client will experience from receiving case management.

Also, be aware of confusing program outcomes with program efficiency or effectiveness, i.e. increase recruitment of volunteers or improved client satisfaction results. While these are important factors for an organization to evaluate as part of its ongoing effort to improve itself, the measurable outcomes section of this application is focused solely on the client.

The following are unacceptable outcomes:

- ✗ "To provide after-school activities to 35 children."
- ✗ "To provide transportation to 50% of our senior citizen clients."
- ✗ "To provide child care to 65 unduplicated children."

These are not outcomes because, while they are stating the units of service the program will provide, they do not show the results or behavior changes or benefit that the client will experience.

Improperly completed or stated outcomes may affect your funding request. If you have questions, [call](#) OR [email](#) CD Programs staff.

---

## CAPITAL GRANTS

### WHAT TYPES OF CAPITAL PROJECTS ARE ELIGIBLE FOR A CDBG GRANT?

---

Grants under this category can be used to support a wide variety of activities such as acquisition, rehabilitation, infrastructure improvements, and economic development.

Proposed projects must meet the City's funding priorities for CDBG funds identified in the City of Santa Barbara's Consolidated Plan: Activities that improve facilities of organizations that serve low- and moderate-income residents; public infrastructure and parks improvements in low- and moderate-income neighborhoods; economic development activities that provide self-employment training and small business loans to low- and moderate-income persons, and decent housing availability projects that rehabilitate affordable housing units.

### ARE WE REQUIRED TO DISCUSS OUR PROPOSED CAPITAL APPLICATION WITH CITY STAFF?

---

Yes. CDBG capital projects have numerous requirements that you should be aware of prior to applying. Prior to submitting an application, contact CD Programs staff to discuss your proposal.

### DO I NEED TO SUBMIT 3 BIDS FOR CAPITAL GRANT APPLICATIONS?

---

No. Only one completed cost estimate for your proposed CDBG project will need to be submitted as part of the application packet.

The completed cost estimate must be from a licensed contractor that includes applicable Davis-Bacon federal wage rates in the determination of the total project budget. Your organization will need to let the contractor know that providing the cost estimate doesn't guarantee they will get the work.

If funded, you will be required to follow federally-mandated formal procurement processes during the grant award year. City CD Programs staff will provide you with guidance through this process.

### IF MY CAPITAL GRANT APPLICATION IS AWARDED, WHEN MUST THE PROJECT BE COMPLETED?

---

Recipients of CDBG Capital funds are required to have expended 95 percent of project costs that are to be reimbursed with CDBG funds on or before March 25, 2025. In addition, a "Notice of Completion" must be recorded in the Office of the Santa Barbara County Recorder by this date. On or before April 30, 2025, 100 percent of Project costs that are to be reimbursed with CDBG funds shall be expended.

If a determination is made that the project will not be completed and all CDBG funds will not be expended by grantee and disbursed by City on or before April 30, 2025, the grantee will be required to submit to CD Programs staff its written, formal request for an extension of the Project Completion Date to June 30, 2024.

(Ord. 3500 §1(part), 2072.)

### 9.126.020 Contents of Certificate.

The "contractor's obligation for non-discriminatory employment" is as follows:

In performing the work of this contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification. The Contractor will take positive action or ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification. Such action shall include but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this non-discrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification.

(3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the City advising the said labor union or worker's representative of the Contractor's commitments under this provision, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will permit access to his records of employment, employment advertisements, application forms, and other pertinent data and records by the City, the Fair Employment Practices Commission, or any other appropriate agency of the State designated by the City for the purposes of investigation to ascertain compliance with the Contractor's obligation for non-discriminatory employment provisions of this contract, or Fair Employment Practices statute.

(5) A finding of willful violation of the non-discriminatory employment practices article of this contract or of the Fair Employment Practices Act shall be regarded by the City as a basis for determining that as to future contracts for which the Contractor may submit bids, the Contractor is a "disqualified bidder" for being "non-responsible".

The City shall deem a finding of willful violation of the Fair Employment Practices Act to have occurred upon receipt of written notice from the Fair Employment Practices Commission that it has investigated and determined that the Contractor has violated the Fair Employment Practices Act and has issued an order under Labor Code Section 1426 or obtained an injunction under Labor Code Section 1429.

Upon receipt of any such written notice, the City shall notify the Contractor that unless he demonstrates to the satisfaction of the City within a stated period that the violation has been corrected, he shall be declared a "disqualified bidder" until such time as the Contractor can demonstrate that he has implemented remedial measures, satisfactory to the City, to eliminate the discriminatory employment practices which constituted the violation found by the Fair Employment Practices Commission.

(6) Upon receipt from any person of a complaint of alleged discrimination under any City contract, the City Administrator shall ascertain whether probable cause for such complaint exists. If probable cause for the complaint is found, the Administrator shall request the City Council to hold a public hearing to determine the existence of a discriminatory practice in violation of this contract.

In addition to any other remedy or action provided by law or the terms of this contract, the Contractor agrees, that should the City Council determine after a public hearing duly noticed to the Contractor that the Contractor has not complied with the non-discriminatory employment practices provisions of this contract or has willfully violated such provisions, the City may, without liability of any kind, terminate, cancel or suspend this contract, in whole or in part. In addition, upon such determination the Contractor shall, as a penalty to the City, forfeit a penalty of \$25.00 for each calendar day, or portion thereof, for each person who was denied employment as a result of such non-compliance. Such moneys shall be recovered from the Contractor. The City may deduct any such penalties from any moneys due the Contractor from the City.

(7) The Contractor certifies to the City that he has met or will meet the following standards for positive compliance, which shall be evaluated in each case by the City:

(a) The Contractor shall notify all supervisors, foremen and other personnel officers in writing of the content of the non-discrimination provision and their responsibilities under it.

(b) The Contractor shall notify all sources of employee referrals, (including unions, employment agencies, advertisements, Department of Employment) of the content of the non-discrimination provision.

(c) The Contractor shall file a basic compliance report as required by the City. Willful false statements made in such reports shall be punishable as provided by law. The compliance report shall also specify the sources of the work force and who has the responsibility for determining whom to hire, or whether or not to hire.

(d) The Contractor shall notify the City of opposition to the non-discrimination provision by individuals, firms or organizations during the period of this contract.

(8) Nothing contained in this Contractor's Obligation for Non-discriminatory Employment Certificate shall be construed in any manner to prevent the City from pursuing any other remedies that may be available at law.

(9) (a) In the performance of the work under this contract, the Contractor will include the provisions of the foregoing paragraphs (1) through (8) in all subcontracts and in any supply contract to be performed within the State of California, so that such provisions will be equally binding upon each subcontractor and each supplier.

(b) The Contractor will take such action with respect to any subcontract or purchase order as the City may direct as a means of enforcing such provisions including sanctions for non-compliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction by the City, the Contractor may request the City to enter into such litigation to protect the interests of the City. ## Insurance Requirements

As part of the consideration of this Agreement, Grantee shall procure and maintain for the duration of the agreement, and for five years thereafter, insurance coverage against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Grantee, its agents, representatives, employees, or subcontractors.

### MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

- A. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury, and personal & advertising injury with limits no less than One Million Dollars (\$1,000,000) per occurrence. If a general aggregate limit applies, either the aggregate limit shall apply separately to this project or location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
- B. **Workers' Compensation:** As required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limits no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease.

If the Grantee maintains higher coverage limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Grantee. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

### ***Self-Insured Retentions***

Self-insured retentions must be declared to and approved by the City. The City may require the Grantee to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City. Any and all deductibles and SIRs shall be the sole responsibility of Grantee or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. The City may deduct from any amounts otherwise due Grantee to fund the

SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City reserves the right to obtain a copy of any policies and endorsements for verification.

## **OTHER INSURANCE PROVISIONS**

Each insurance policy shall contain, or be endorsed to contain, the following provisions:

### ***Additional Insured Status***

The City of Santa Barbara, its officers, officials, employees, volunteers, and agents, shall be covered as additional insureds on the Commercial General Liability policy with respect to liability arising out of work or operations performed by or on behalf of the Grantee including materials, parts, or equipment furnished in connection with such work or operations. Additional Insured coverage shall be provided in the form of an endorsement to the Grantee's insurance (at least as broad as Insurance Services Office Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 forms if later edition is used). A copy of the endorsement evidencing that the City of Santa Barbara has been added as an additional insured on the policy, must be attached to the certificate of insurance.

### ***Primary Coverage***

For any claims related to this contract, the Grantee's insurance coverage shall be primary and non-contributory at least as broad as Insurance Services Office Form CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Grantee's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

### ***Notice of Cancellation***

Each insurance policy required above shall provide that coverage shall not be cancelled or subject to reduction without written notice provided to the City Clerk, addressed to P.O. Box 1990, Santa Barbara, California 93102-1990.

### ***Waiver of Subrogation***

Grantee hereby grants to the City a waiver of any right to subrogation which any insurer of Grantee may acquire against the City by virtue of the payment of any loss under such insurance. Grantee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Grantee, its employees, agents, and subcontractors.

### ***Umbrella or Excess Policy***

The Grantee may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Grantee's primary and excess liability policies are exhausted.

***Claims Made Policies*** – If any coverage required is written on a claims-made coverage form:

1. The retroactive date must be shown and must be before the execution date of the contract or the beginning of contract work.
2. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of contract work.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective, or start of work date, the Grantee must purchase extended reporting period coverage for a minimum of five (5) years after completion of contract work.
4. A copy of the claims reporting requirements must be submitted to the City for review.

### ***Acceptability of Insurers***

[ldrewes@santabarbaraca.gov](mailto:ldrewes@santabarbaraca.gov)

All insurance coverage shall be placed with insurers authorized to conduct business in the State of California with a current AM Best's rating of no less than A: VII. All other insurers require prior approval of the City.

### ***Verification of Coverage***

Grantee shall furnish the City with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to City before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the Grantee's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. The City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

### ***Subcontractors***

Grantee shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Grantee shall ensure that the City is an additional insured on insurance required from subcontractors.

### ***Special Risks or Circumstances***

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

### ***Coverage Limits Specifications***

Approval of the insurance by City or acceptance of the certificate of insurance by City shall not relieve or decrease the extent to which the Grantee may be held responsible for payment of damages resulting from Grantee's services or operation pursuant to this Agreement, nor shall it be deemed a waiver of City's rights to insurance coverage hereunder.

If, for any reason, Grantee fails to maintain insurance coverage which is required pursuant to this Agreement, the same shall be deemed a material breach of contract. City, at its sole option, may terminate this Agreement and obtain damages from the Grantee resulting from said breach. Alternately, City may purchase such required insurance
