

Pedestrian and Bicycle Improvements on East Cabrillo Boulevard and Replacement of the Union Pacific Railroad Bridge Project

Phase 1:
Funded

Phase 2:
Seeking Funds

PROJECT OVERVIEW

The City of Santa Barbara and the County of Santa Barbara Association of Governments (SBCAG) are completing the final design phase of the Pedestrian and Bicycle Improvements Project on East Cabrillo Boulevard, and the Replacement of the Union Pacific Railroad Bridge Project. Phase 1 of the Cabrillo-Los Patos Roundabout includes the construction of a single-lane roundabout at the intersection of East Cabrillo Boulevard and Los Patos Way.

The existing two-way, stop-controlled intersection at East Cabrillo and Los Patos Way services a significant number of pedestrians, bicyclists, and motorists who use the roadway to access recreational areas. The new roundabout will bring needed improvements and enhance safer travel along East Cabrillo Boulevard. The roundabout features crosswalks with traffic islands along all four quadrants and will incorporate new landscaping into a center island. A striped pedestrian and bicycle trail will be along northbound Channel Drive and a new left lane from southbound Cabrillo Boulevard to Channel Drive.

Construction for Phase 1 of the Cabrillo-Los Patos Roundabout is funded and scheduled to begin in the Winter of 2023-2024.

The Project is seeking funding for Phase 2 which will include the Union Pacific Railroad Bridge replacement, and the retirement of the Los Patos Way Underpass.

TIMELINE

PUBLIC MEETING

Please join City staff and the project team to receive an update, view construction plans, and discuss the next steps for Phase 1 of the Cabrillo-Los Patos Roundabout including construction activities, traffic management, and timeline. The content presented at each meeting will be the same and Spanish interpretation will be available.

Thursday, November 2, 2023

5:30 p.m. to 7:00 p.m.
