

**DECLARATION OF EMERGENCY PURCHASE PURSUANT TO  
SANTA BARBARA MUNICIPAL CODE § 4.52.080**

I, Clifford M. Maurer, Public Works Director, declare the following:

Work done under a maintenance and repair purchase order (Purchase Order No. 32401291) was awarded to ATI Restoration, LLC in the amount of \$139,424.99 for the first phase of a remediation and remodel project, estimated to be completed by July 1, 2024.

The message shall comply with Municipal Code Section 4.52.080 requiring Department Head declaration in writing of the need to make an emergency purchase order.

Donna Lahey has authorized work under an emergency purchase order related to repairs of the remediation & mitigation project that addresses interior building materials that are contaminated with mold at the Parks and Recreation and Purchasing buildings. These spaces are experiencing mold contamination to the point where it is unsafe for employees to occupy the spaces to perform their daily functions.

Following ordinary purchasing procedures would have required additional time to solicit proposals and execute a contract. In addition, the extra time to solicit multiple proposals would compromise our duty to provide essential city services, therefore there is an urgency to get this work done now.

The work is funded by Measure C Funds already budgeted for Building Improvements. The declaration will be posted on the City's website.
