

**DECLARATION OF EMERGENCY PURCHASE PURSUANT TO
SANTA BARBARA MUNICIPAL CODE § 4.52.080**

I, Chris Hastert, Airport Director, declare the following:

1. Work done under Emergency Purchase Orders issued on February 1, 2024 is scheduled to be completed by a Contractor to clear Carneros Creek, a high-risk waterway, of excess debris and vegetation in advance of the upcoming atmospheric river storm.

The message complies with Municipal Code Section 4.52.080 requiring Department Head declaration in writing of the need to make an emergency purchase order.

Following ordinary purchasing procedures would require additional time to solicit proposals and execute a contract. If high-risk waterways are not cleared before the next storm, flooding may occur throughout the Airport.

The work is funded by the Airport Capital Fund (57107422-576200-78500). The declaration will be posted on the City's website.

Chris Hastert
Airport Director

Subject: Project Creation

Hello,

Thank you for using the PWC-100 online application.

This email confirms the submission of a new project titled "Emergency Carneros Storm Cleanup " that was created on 02 Feb 2024 and assigned **DIR Project ID 508622**.

Please share this **DIR Project ID** number with each contractor on the project. They will need this number to submit certified payroll records into DIR's Electronic Certified Payroll Reporting(eCPR) database.

Thank you for your submission

Sincerely,

Public Works Program
