CONSTRUCTION VALUATION

Community Development
 630 Garden Street
 805-564-5485

The Applicant is mandated by State law to provide an estimated value of work proposed on each application for a building permit. Permit valuations shall include total value of work, including materials and labor, for which the permit is being issued, such as electrical, gas, mechanical, plumbing equipment and permanent systems. If, in the opinion of the Building Official, the valuation is underestimated on the application, the permit shall be denied, unless the applicant can show detailed estimates to meet the approval of the Building Official. 2022 California Building Code Section [A] 109.3.
