SUBJECT: RESTRICTION OF CONSTRUCTION IN COMMERCIAL AREAS DURING THE HOLIDAY SEASON

This is a reminder that **no construction work** is to take place within the City's right of way in commercial areas during the Holiday Season from **Monday, 11/25/2024, to Wednesday, 1/1/2025, inclusive.** The attached maps delineate the specifically restricted areas.

- No new permits may be issued for work in these areas during this period, except "Emergencies" approved by the City Engineer.
- All Public Works projects in the specified areas, with an existing Public Works Permit, must be halted prior to the dates listed above. This does not apply if you already have been informed of a variance approval.
- No permits for containers/dumpsters or other traffic obstructions may be issued for this period.

**COMPLIANCE IS MANDATORY**. Please ensure that all appropriate employees are aware of this policy.

If you have any questions, please contact Michael Cloonan, Supervising Engineer, at (805) 564-5365, MCloonan@SantaBarbaraCA.gov, or Downtown Parking at (805) 564-5656.

You may send exception requests to pwcounter@SantaBarbaraCA.gov for Public Works staff review. Please reference the street address and any existing permit numbers, and include the scope of work for projects that require traffic obstructions.

Sincerely,

Brian D'Amour, P.E.
for City Engineer
