

**DECLARATION OF EMERGENCY PURCHASE PURSUANT TO
SANTA BARBARA MUNICIPAL CODE § 4.52.080
WORK COMPLETE**

I, Brian D'Amour, Public Works Director, declare the following:

1. Work done under maintenance and repair Purchase Order No. 32600854 was completed by Pacific Petroleum in the final total amount of \$919,781.71. Work was completed in January 2026.

2. Further purchases on this maintenance project shall now follow normal purchasing procedures.

The discover of debris in the culvert under US Highway 101 prior to expected severe winter storms presented a flood risk to the community. Following ordinary purchasing procedures would have required additional time to solicit proposals and execute a contract. In addition, the type of work had many unknowns in regard to condition and quantity of debris in the culverts such that an emergency purchase via time and material rates was required.

The work is funded by Measure A (local transportation) and Measure C (City infrastructure) Funds already budgeted. The declaration will be posted on the City's website.
