

# PREAPPROVED ADU DESIGNER AGREEMENT

## APPLICANT'S AFFIDAVIT

In conformance with Assembly Bill (AB) 1332, when a designer voluntarily elects to participate in the City of Santa Barbara's Pre-Approved Accessory Dwelling Unit (ADU) Plans Program the City must post the Pre-Approved Plans and designer contact information on the City's website.

### RECORD INFORMATION

Submittal Date: \_\_\_\_\_ PRE #: \_\_\_\_\_

### APPLICANT'S INFORMATION

Name: \_\_\_\_\_ Company: \_\_\_\_\_

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

### AUTHORIZATION FOR WEBSITE POSTING

- As the applicant for preapproval of an Accessory Dwelling Unit (ADU) plan, I agree that, if my ADU plan is preapproved, a brief description of the preapproved ADU plan, a link to my website where the plans or images are posted, and my contact information will be posted on the City of Santa Barbara website. In addition, either or both of the following options may be posted on the City website (check box as applicable):
  - The preapproved ADU plans in their entirety.
  - One to four images of the preapproved ADU plan.
- I understand that posting is not an endorsement of the preapproved ADU plan and is not an approval of a future ADU application.
- I agree that the City will not be held responsible for any copyright infringement that occurs via the public accessing the plans on the City's website.

- I understand that I may submit a written request to the City to have the posting removed from the City website, and that the City shall remove the posting within 30 days of receipt of my request. (Email to [ADU@SantaBarbaraCA.gov](mailto:ADU@SantaBarbaraCA.gov).)
- I understand once an ADU plan is preapproved by the City, the preapproval will remain valid until the City adopts new building or zoning codes that apply to a preapproved ADU plan. The City will provide notice when such changes take place and how updated plans can be submitted. Additional plan check fees may apply to each resubmittal.
- I understand that owner-requested modifications to the preapproved plans are not allowed under the City's Preapproved ADU Program and may result in the loss of preapproved status, additional permit review, inspection, and fees required due to changes in the building design or submittal documents.
- I will, to the fullest extent permitted by law, indemnify and hold the City of Santa Barbara its officials, officers, employees, volunteers, agents, harmless from any and all claims, suits, liability, demands, judgments, or costs arising out of or resulting therefrom on account of any injury, death, damage or loss to persons or property. Indemnification includes and direct claims from the Applicant
- By signature below, I, the undersigned, agree to the above terms and conditions.
