TOT & TBID Remittance Form Instructions

The following information provides detailed instructions for completing the Transient Occupancy Tax (TOT) remittance form. The numbered sections in this document align directly with the numbered fields on the form to assist in accurately entering the required information.

Calculation of TOT

1. **Total Rents/Gross Receipts subject to TOT:** This amount includes the total rent charged, whether or not received, during the reporting period, without deductions. This total should include, but is not limited to, room rental revenue, non-refundable deposits, early check-in/late check-out fees, cancellation charges, parking fees, pet fees, cleaning fees, in-room equipment rental fees, resort or destination fees, California Tourism Assessment Fee (CTAF), no-show charges, group attrition charges, upgraded room charges, damage charges, stolen item charges, smoking charges, and violations of hotel policy charges.
2. **Allowable Deductions:** Deductions are allowed only for rooms occupied for more than 30 consecutive days and for stays occupied by federal employees on official business. Any reported deductions must be accompanied by the appropriate supporting documentation.
 - 2a. This amount includes rents, fees, and charges for rooms occupied for more than 30 consecutive days. Supporting documentation for these exemptions must be attached to the remittance form and should include dates, gross receipts, and reservation number or guest name.
 - 2b. This amount includes rents, fees, and charges for federal employee or diplomat stays on official business. Supporting documentation for these exemptions must be attached to the remittance form and should include completed Claim for Tax Exemption form(s).
3. **Taxable Rents:** This line determines the total taxable rents subject to TOT by subtracting the allowable deductions from the total rents/gross receipts.
4. **TOT Due:** This line determines the TOT amount due by multiplying the TOT rate of 12% by the taxable rents.

Calculation of TBID

5. **Total Room Rental Revenue subject to TBID:** This amount includes room rental revenue only; it should not include other charges and fees.
6. **Allowable Deductions:** This line determines the total taxable rents subject to TBID by subtracting the allowable deductions from the total room rental revenue.
7. **TBID Due:** This line determines the TBID amount due by multiplying the TBID rate of 2% by the taxable rents.
8. **Total TOT + TBID Due:** This line determines the total TOT and TBID due, before penalties, interest, or adjustments are applied.

Calculation of Penalties & Interest

9. **Penalty:** The penalties are assessed at the rate of 10% on the first day payment is delinquent. If payment is postmarked or remitted after the due date of the 15th, the total tax due is multiplied by 10% to determine the penalty due. The Accounts Receivable Office may waive one tax period's (one month's) late penalties and interest for any business, upon receipt of a written request. However, only one such waiver will be granted per business account for its entire duration.
10. **Additional Penalty & Interest:** A second 10% penalty is added on top of the tax and first 10% penalty 30 days after the delinquent date. Interest is assessed 30 days after the delinquent date. Interest is added at the rate of 0.5% each month, increasing by ½ of one percent each month past delinquency. Contact the Accounts Receivable Office to obtain the penalties and interest due, if applicable.
11. **Adjustments:** Adjustments may be considered for a credit or balance due from a previous reporting period. Adjustment amounts must be accompanied by supporting documentation, such as a letter from the City of Santa Barbara or associated auditors. If a credit is due to an overpayment, write the total as a negative amount. If a balance from a previous period is considered, write as a positive amount.
12. **Total Monthly Tax Due:** Add all lines of tax due with penalties, interest, and adjustments to determine the total amount due to remit for the reporting period.
