John Feldhans has authorized work under an emergency purchase order related to the floor cleaning and sanitization at Santa Barbara Airport, located at 601 Firestone Road, Santa Barbara, CA 93117.

Following ordinary purchasing procedures would have required additional time to solicit proposals and execute a contract. In addition, the extra time to solicit multiple proposals would have caused further damage from mud and silt due to recent flooding events. Therefore, there is urgency to get this work done now.

The work is funded by Airport Operating fund budgeted for 2025 Winter Storm.
