WATERFRONT PARKING FEES AND HOURS OF OPERATION

Santa Barbara Municipal Code Section 10.44.152 provides for the establishment of fees in municipally owned parking lots, and the Board of Harbor Commissioners of the City of Santa Barbara has recommended adoption of the fees charged for Waterfront Parking as set forth below.

A. PARKING FEES AND HOURS OF OPERATION IN THE WATERFRONT AREA PARKING LOTS

1. Fees for parking in the La Playa East and La Playa West Lots shall be $3.50 per hour with a maximum charge of $20.00 per vehicle during one day's hours of operation. Dates and Hours of operation are subject to the conditions of the Joint Powers Agreement between the City and Santa Barbara City College.

2. Fees for parking at the Cabrillo East, Cabrillo West, Harbor West, Garden Street, Leadbetter, Harbor Valet Lot, and Palm Park Parking Lots shall be $3.50 per hour with a maximum charge of $20.00 per vehicle during one day's hours of operation. Hours of operation for all Waterfront Area Parking Lots including Stearns Wharf from 8:00 a.m. to 10:00 p.m. daily, including weekends and holidays.

3 The fee for parking at the Harbor Parking Lot shall be $3.50 per hour with a maximum charge of $20.00 per vehicle per 24 hours of parking. Hours of operation are 24 hours per day, year-round.

4. The City Administrator or his/her designee may make minor adjustments to fee collection, hours of enforcement, and operation for efficient administration and may change enforcement and collection when inclement weather, emergencies, or special events so dictate.

5. Annual parking permits exempting permit holders from hourly parking fees at all Waterfront Parking Lots, except Stearns Wharf and Harbor Valet Lot, shall be available to the general public at a rate of $165.00 per calendar year. Annual parking permits shall only be issued for vehicles not exceeding the size limitations set forth in Chapter 17.36 of the Municipal Code. The City Administrator or his/her designee may grant written waivers to the vehicle size limitation provided in Chapter 17.36 of the Municipal Code for

parking in the Harbor Parking Lot, based on ocean-related or ocean-dependent priority need. Vehicle owners granted a waiver must purchase one ocean dependent parking permit equal in cost to one general parking permit or one slip permittee annual parking permit plus a $50.00 Oversized Vehicle fee.

6. Parking permits exempting Harbor slip permittees from parking fees shall be available at $165.00 per calendar year with a limit of one parking permit per slip permit. All slip permittee parking permits issued under this section shall require proof of California vehicle registration in slip permittee's name prior to issuance.

7. The fee for an optional Automatic Vehicle Identification (AVI) Tag for Annual Parking Permit holders shall be $50.00.

8. In the event a parking permit decal is lost, stolen, or damaged, a $20.00 replacement permit fee will be charged per occurrence.

9. The charge for boat trailers using the launch ramp shall be $3.50 per hour with a maximum charge per trailer of $8.00 per 24 hours of parking. Such charges shall be in addition to charges applied to the towing vehicle.

10. A wash-down fee of $1.00 for 5 minutes will be charged at the launch ramp.

11. The charge for a boat trailer exiting a parking lot without a time dated parking ticket shall be $32.00 (four times the maximum daily boat trailer charge).

12. Fee for failure to surrender an entrance ticket upon exiting the Harbor Parking Lot shall be $60 per occurrence, which reflects the equivalent cost of a 72-hour parking session. This charge is intended to account for the inability to verify the duration of the parking stay and to reasonably approximate the potential maximum parking fee when a ticket is not surrendered.

13. An entry fee not to exceed $25.00 may be charged under special circumstances or for special events where it is anticipated that charging on entry will be more efficient than collecting the fee on exit. The Waterfront Director is authorized to make the determination.

14. Fees for an oversized vehicle parking in Leadbetter, Harbor West, Garden Street, or the Palm Park lot shall be double the normal parking fee charged for regular sized vehicles in those lots.

B. STEARNS WHARF PARKING FEES

1. Stearns Wharf Parking Fees

a. 90 Minutes of free parking upon entry onto Stearns Wharf per one day's hours of operation.
