3. BEREAVEMENT LEAVE

a. The City's bereavement leave policy shall provide up to 40 hours leave with pay for immediate family members. Immediate family is defined as mother, father, brother, sister, spouse/domestic partner, child, grandparents by blood or marriage, grandchildren by blood or marriage, mother-in-law, father-in-law, brother-in-law, sister-in-law, daughter-in-law, son-in-law, person standing in loco parentis (in place of the parent), and step family members. In order to receive this benefit, domestic partners must be registered with the City Clerk's office or the Secretary of State.

The intent of bereavement leave is to provide employees with adequate time to be with their immediate family during a period of anguish, whether it be at the time of death, preparation of funeral arrangements and/or to attend a funeral.

b. The parties agree that co-worker funeral attendance will be acceptable to the City upon Department Head approval consistent with maintenance of operations.

c. Though bereavement leave pay is not applicable, the City shall encourage departments to make reasonable efforts to allow employees to use accrued vacation, compensatory, time or personal leave to attend the funeral of an aunt, uncle or cousin.

4. BILINGUAL SKILLS

a. The City and the Union agree to encourage employees to voluntarily develop bilingual skills in instances where the public contact nature of their jobs would make such skills valuable.

Any employee who is requested by the City and whose duty assignments require frequent and regular use of bilingual language skills in Spanish and in English with members of the public shall be designated by the Department Head in writing and said designation shall be approved by the Human Resources Manager, who shall test and certify the employees for language proficiency.

Departments will be limited to two (2) employees as being designated for use of bilingual skills in each major division or department. "Major Division" shall be determined by the Department Head.

As used in this section, the phrase "regular and frequent" means at least several times in each working day. Designation of the bilingual language skill is restricted to the actual needs of the position. An employee's ability to read, write or speak Spanish occasionally or, incidental use of language skills in Spanish, or the use of bilingual skills other than for the purpose of meeting the requirements of the job shall not warrant a bilingual designation.

b. The City shall provide an updated list of designated employees at the Union's written request no more than once every six (6) months.

c. All employees designated for use of bilingual skills by their Department Head shall receive \$64.00 per pay period.

Each employee shall be eligible to allocate a discretionary amount of \$313.74 per month for the term of this Agreement. Effective January 1, 2019, the discretionary amount will increase to \$328.74 per month.

b. If medical, dental, and vision insurance plan selections exceed the cafeteria plan allocation, the City will pay the difference of these respective insurance premiums up to the amounts in the Medical Insurance, Dental Insurance and Vision Insurance sections of the Health Insurances article of this MOU; said excess premium payments cannot be applied to any other element of the cafeteria plan.

7. CATASTROPHIC LEAVE

Employees will be covered by the Citywide Catastrophic Leave Policy, dated September 22, 2016, and incorporated herein by reference. This policy allows employee donation of eligible accrued time off to a coworker dealing with a catastrophic illness or injury to the coworker and/or the coworker's spouse, registered domestic partner, or child.

8. DEPENDENT CARE

The City will provide a pre-tax salary reduction plan for dependent care needs in accordance with Section 129 of the Internal Revenue Code.

9. COMMERCIAL DRIVER'S LICENSE

The City shall allow same sex and opposite sex domestic partners dependent coverage under medical, dental, and vision plans. In order to receive this benefit, domestic partners must be registered with the City Clerk's office or the Secretary of State. The affected employees shall be responsible for all tax consequences of this benefit.

13. DRESS CODES

It is agreed that employees recognize and will comply with standards of dress consistent with the positive representation of the City government through its employees and consistent with uniform requirements and safety policies established by the City. The Department head may issue guidelines for dress that are consistent with the above standard for a work unit. Said guidelines will be given to employees at the time of hire. 16. FLEXIBLE STAFFING

The City may choose to flexibly staff classifications within any class series containing an entry and journey level position. Flexible staffing gives the City the ability to hire employees at the entry level or the journey level depending upon applicant qualifications and City staffing needs.

An official list of the flexibly staffed classifications shall be maintained by Human Resources. Classifications designated as flexibly staffed would not require an examination nor the establishment of an eligible list for an incumbent to promote from the entry level to the journey level classification. The City retains the exclusive right to determine if and when an employee may advance from the entry to the journey level.

Flexible staffing does not preclude the City from identifying certain positions that would be permanently assigned to the entry level for as long as their duties and responsibilities remain within the entry level classification.

17. GRIEVANCES/DISPUTES

a. Grievances shall be defined as an alleged violation of this Agreement or dispute regarding interpretations, application, or enforcement of this Agreement or the City Charter, City ordinances, resolutions, and written policies related to personnel policies and working conditions. Grievances shall not include disagreements, disputes, or activities regarding or pertaining to examinations for employment or promotion, disciplinary action, performance evaluations, probationary terminations and items subject to meet and confer.

No act or activity which may be grievable may be considered for resolution unless a grievance is filed in accordance with the procedure contained herein within twenty (20) working days of the date the grievable activity occurred or the date the employee could reasonably have known such activity occurred.

b. The Union agrees that whenever investigation or processing of a grievance is to be transacted during working hours, only the amount of time necessary to bring about a prompt disposition of the matter will be utilized. At the City's discretion, time spent by City employees on the investigation and processing of grievances will be recorded on a form provided by management.

Union Stewards will be permitted reasonable time off with pay for the investigation and processing of grievances after first obtaining permission from his/her Department Head. Such permission will be granted promptly unless such absence would cause an undue interruption of work.

Upon entering a work location, the Union Steward shall inform the appropriate Department Head and supervisor of the nature of his/her business. An employee pursuing a grievance shall be granted permission to leave the job unless such absence would cause an undue interruption of work. If the employee can not be made available, the Union Steward will be immediately informed when the employee will be made available.

c. The parties agree that all grievances will be processed in accordance with the following procedure.

Step One

Any employee who has a grievance shall first try to get it settled through discussion with his/her immediate supervisor without undue delay. Every effort shall be made to find an acceptable solution at the lowest possible level of supervision.

Step Two

If after such discussion the employee does not believe the grievance has been satisfactorily resolved, he or she may file a formal appeal in writing to his/her Department Head within ten (10) working days after the informal decision of his/her immediate supervisor.

The Department Head receiving the formal appeal shall render his/her written decision and comment to the employee within ten (10) working days after receiving the appeal.

Step Three

If, within ten (10) working days after receipt of the written decision of the Department Head the employee is still dissatisfied, he or she may request the services of a mediator from the State Mediation and Conciliation Service.

Step Four

If, within ten (10) working days after the mediation process has been completed, the employee is still dissatisfied he or she may file a written appeal of the decision of the Department Head to the City Administrator. The City Administrator shall review information provided by the employee, the decision of the Department Head, and suggestions or information provided by the Mediator. The City Administrator shall render his/her decision within twenty-five (25) working days after the appeal is filed. Except as provided under Step Five below, the City Administrator's decision shall be considered final.

Step Five

Request for Arbitration

If the grievant is not satisfied with the decision at Step Four, he/she may, within fifteen (15) working days after the decision is mailed by the City Administrator, and with the concurrence of the Union, submit a request in writing to the City to proceed to arbitration. The Union shall have the right to invoke the arbitration procedure on behalf of a class of employees. Arbitration shall be conducted in accordance with the rules and procedures delineated in this Article.

Selection of Arbitrator

The parties shall make a good faith effort to select a mutually acceptable arbitrator from a designated list of available arbitrators. If they are unable to agree on an arbitrator within ten (10) days of the submission of the grievance to arbitration, the parties shall request a panel of experienced arbitrators from the

California State Mediation and Conciliation Service. Each party shall alternately strike a name until only one name remains. The party who strikes first shall be determined by lot. By mutual agreement, the arbitration may be held under the Expedited Rules of the American Arbitration Association.

Unless the parties agree otherwise, a hearing shall be commenced within sixty (60) days from selection of the arbitrator.

Arbitrator's Authority

Only those issues which directly relate to alleged violations of this Memorandum of Understanding or the City Charter, City ordinances, resolutions and written policies related to personnel policies and working conditions shall be subject to arbitration. In addition, matters for which a separate and comprehensive administrative process is available that provides a remedy no less complete than that provided in arbitration are not within the scope of this procedure. Examples of such comprehensive processes are: discrimination complaints covered by EEOC or DFEH, safety complaints under Cal OSHA and OSHA, workers' compensation matters, and Civil Service appeals. The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement, the City Charter or Ordinances, or the written policies, rules, regulations or procedures of the City. The arbitrator however, may, in the course of determining the questions properly submitted to him/her, consider arguments and evidence based on external law.

Submission Agreement/Questions Regarding Arbitrability

If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step. If any question arises as to the arbitrability of the grievance, such question shall be ruled upon by the arbitrator prior to hearing the merits of the grievance.

Hearing Procedure

Except as indicated in this Article, the arbitration hearing shall be conducted in accordance with the Labor Arbitration Rules of the American Arbitration Association.

Decision

After a hearing and an opportunity to present such closing arguments as may be appropriate, the arbitrator will make a reasonable effort to issue his/her decision within thirty (30) days after the conclusion of the hearing. The arbitrator's decision shall be in writing and set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The decision shall be final and binding on the parties.

Costs

All costs for the services of the arbitrator, including, but not limited to, per diem expenses, travel and subsistence shall be shared equally by the parties. Any cost incurred to obtain the use of a hearing room shall be shared by the parties. All other costs shall be borne by the party incurring them.

d. The time limitations for filing and responding to grievances may be waived or extended by mutual agreement of the parties. If either party to the grievance so requests, an informal hearing shall be conducted at the Department Head or City Administrator appeal levels. Employees may be represented by counsel or other person at any stage in the grievance process.

e. Grievances which are general in character and which involve interpretation or application of this MOU or City policies or which involve matters requiring resolution outside the authority of the employee's Department Head shall be filed directly with the Assistant City Administrator who shall provide a written response within ten (10) working days.

An employee may appeal the response of the Assistant City Administrator. The employee's appeal shall be handled in accordance with the procedures beginning in step three above.

f. Disputes or complaints regarding open competitive or promotional examinations for employment

shall be processed in accordance with the policy adopted by the City Administrator. The City shall consult with the Union prior to adopting or amending such policy.

g. Disputes or complaints regarding performance appraisals, including written Performance Improvement Plans (PIPs), shall first be discussed with the individual who made the appraisal. An employee dissatisfied with the appraiser's response may discuss his/her complaint with the individual at the next higher level of supervision whose decision shall be final. Such discussion with the next level of supervision shall be requested within 10 days of the issuance of the performance document, and an employee may be represented by counsel or other individual during the discussion with the next level of supervision.

18. HARBOR AND AIRPORT PATROL SPECIAL DUTY ASSIGNMENT/PROFESSIONAL CERTIFICATION PAY

a. It is agreed that special pay associated with Harbor or Airport Patrol Special Duty Assignments shall be provided at the rate of two percent (2%) of base salary.

b. Harbor or Airport Patrol Special Duty Assignments shall be significant in nature and designated by the Waterfront Director or Airport Director. If such special duty assignments are created, City shall submit a request the Union to voluntarily modify this agreement to include any details for eligibility for such pay that may be required by the California Public Employees Retirement System (CALPERS) for pension reporting purposes.

c. For Harbor Patrol Officers who meet the certification requirements to possess an EMT-D* certification shall receive \$100 per pay period effective the first full pay period following adoption of the MOU.

a. The City and the Union agree to abide by all provisions of the California Plan approved in accordance with the provisions of the Federal Occupational Safety & Health Act of 1970, and any applicable legislation as may be passed by the State of California to implement that plan. The City recognizes that it is the duty of management to make every reasonable effort to provide and maintain a safe place of employment. The Union will cooperate by encouraging all employees to perform their work in a safe manner. It is the duty of all employees in the course of performing their duties to be alert to unsafe practices, equipment, and conditions and to report any such unsafe practices or conditions to their immediate supervisors. If such conditions cannot be satisfactorily remedied by the immediate supervisor, an employee has the right to submit the matter either personally or through the Union Steward to his/her Department Head or his/her designated representative. On any matter of safety that is not resolved, consultation will take place between management and Union representatives. Compliance with basic safety requirements will be part of each employee's performance evaluation criteria.

b. The City agrees to conduct a Safety Program on City time for the purpose of educating employees concerning the provisions of the Occupational Safety and Health Act as well as the City's safety policies. The Union agrees to support without qualification the City's Safety Program and will encourage its members to attend safety courses if required by the City and made available on City time. The City agrees that any safety courses the employees are required to take will be provided on City time with pay and that first aid training shall be provided to all employees in an on-duty status.

c. Both the City and the Union recognize the need and will strive to reduce the number of industrial injuries among the employees.

d. The parties agree that the City shall perform on-site safety inspections in major work sites at least once a year, and to hold regular safety meetings with departmental safety coordinators. It is further agreed that the City shall continue to maintain vehicles and equipment in a safe operating condition and that no employee will be penalized for refusing to use vehicles or equipment proven to be unsafe pursuant to State law.

20. HEALTH INSURANCES (MEDICAL, DENTAL, VISION)

a. City agrees to meet informally with the Chair of the bargaining unit (or his/her designated representative) in March, June, and August annually, or more often as necessary, to discuss health, life, and disability plan renewals. These meetings may be combined with such discussions with other bargaining units at the City's option. While such discussions will be advisory only, City will give due consideration to this bargaining unit's number of represented employees in consideration of decisions. An SEIU staff member may attend to observe. Where practicable, the City will provide relevant data to be discussed a reasonable time in advance of meetings.

b. Medical Insurance -

The City will pay up to a maximum of \$1175.56 per month for the premiums of employees on an "Employee Plus One" and \$1,528.23 per month for the premiums of employees on an Employee Plus Family plan.

The City retains full and complete control over the selection, approval, and administration of the City's employee medical insurance program to include selection of the carrier, insurance contract renewal, and changes in program specifications. Shift employees receive straight time pay for work on a day being observed as a holiday if it is part of the employee's regular shift. However, if a shift employee is called back to work on a day which is not the employee's regular shift day, and that day is being observed as a holiday, as listed above, the employee shall be compensated at the rate of time and one-half. f. Transfer or Voluntary Demotion: If an employee to be laid off meets the minimum qualifications for a vacant position, before an open competitive recruitment can be commenced, the employee will be given an opportunity to fill the vacant position through transfer or voluntary demotion.

If an employee does not meet the minimum qualifications for the vacant position the City will consider appointment to the vacant position as a trainee level appointment. Trainee-level employees appointed under this section will be paid at 100% of Step 1, rather than 80%.

Final appointment through transfer or demotion is at the sole discretion of the Department head.

g. Separation Enhancement Plan: The City may offer a separation enhancement to avoid layoffs.

25. LEAD PAY

a. During the term of this Agreement, Harbor Patrol Officers who are scheduled and work an assigned shift in Lead capacity shall receive an additional five (5%) percent over their base salary. The five (5%) percent shall not be applied to vacation, sick leave, compensatory time or other paid leaves. The City agrees to designate a "Lead" officer whenever the Harbor Patrol Supervisor and the Harbormaster are not working.

Nothing in this provision is intended to preclude the Harbor Patrol Supervisor or the Harbormaster from assigning a "Lead" officer whenever they deem it to be necessary for the safe and efficient operation of the department. Which officer is assigned as the lead officer is within the sole discretion of Waterfront management.

26. LEAVE OF ABSENCE

a. It is agreed that represented employees as defined in this Agreement shall have the right to request an extended leave of absence without pay for a period of up to one year for personal reasons or for additional schooling. If the leave is approved, the employee will have the right of return but such leave shall be considered a break in service with no accrual of benefits. Leave approval will be at the discretion of the City Administrator.

b. Employees may be entitled to up to 12 weeks of leave, with benefit continuation and reinstatement rights, under the City's FMLA/CFRA Family Care and Medical Leave Policy for the birth of a child or to care for a newborn, for the placement of a child with an employee in connection with adoption or foster care, to care for a child, parent, spouse, domestic partner or child of a domestic partner who has a serious health condition, or for the employee's own serious health condition. For combined pregnancy and child bonding leave, the amount of leave available under this policy may be longer. Employees may also be entitled to up to 26 weeks of leave to care for a covered service member under the City's FMLA/CFRA Family Care and Medical Leave Policy. Employees may also be entitled to "qualifying exigency leave", "military caregiver leave", or other leave under the military family leave provisions of the FMLA/CFRA Family Care and Medical Leave Policy.

c. Extended medical leaves of absence may be granted by the City Administrator for a period of up to a total of one year (including any period of FMLA/CFRA Family Care and Medical Leave) on request of the employee due to the employee's illness. The City shall continue to pay its contribution to insurance for the longer of the first ninety (90) days of such leave, or any period of leave continuation provided under the FMLA/CFRA Family Care and Medical Leave Policy.

d. The following criteria will be used in determining the granting of personal or extended medical leaves of absence:

1. the employee's seniority in City service.
2. the employee's job performance record.
3. the employee's disciplinary record.
4. the needs of the City service.

e. "Continuous service" means employment with the City without break or interruption; in computing continuous service for the purposes of this article, neither military leaves nor medical leaves of absence, including maternity leaves, whether with or without pay, shall be construed as a break in employment or service. Other absences aggregating in excess of ninety (90) working days in any period of twelve (12) months, including layoffs on account of lack of work, lack of funds, or abolishment of positions shall be construed as breaking "continuous service".

27. LIFE INSURANCE

The City will provide a term life insurance policy covering the employee in the amount of \$50,000 with equal accidental death and dismemberment provision.

28. LONG-TERM DISABILITY

The City will provide a long-term disability insurance plan by enrolling Unit members in the City's current long-term disability plan.

The City and the Union agree that all compensation, other than direct wages, as provided by ordinance, resolution, and City Charter, which are in existence at the commencement of this Agreement, shall not be diminished, lessened, or reduced for the duration of this Agreement, except as may be herein provided.

Wage adjustments as provided for from time to time by ordinance or resolution, or by City Charter, as may be amended in accordance with this Agreement, shall also continue for the duration of this Agreement.

The City and the Union agree that the City has the right and prerogative to assign duties to and direct employees in accordance with applicable job specifications and Section 3.12 of the Santa Barbara Municipal Code.

30. MANAGEMENT RIGHTS

The parties agree that the City has an exclusive right to manage and direct the performance of services and the work force performing such services unless the City has specifically delegated, abridged, or modified any such rights in this Agreement. Such rights shall include but not be limited to the sole right to determine the organizational structure of the City, establish levels and types of services to be provided, determine the methods, means, and number of personnel by which operations are to be conducted, including sole authority to contract or subcontract for municipal services, and to exercise complete control and discretion over the technology of performing the City's work. The City retains complete authority over the policies and direction and administration of all City departments including but not limited to standards and methods of selection for employment; promotion and performance evaluation; disciplinary action; relief of employees from duty because of lack of work or other legitimate reasons; maintenance of the efficiency of government operations; establishment of the work week and work schedules; and determination of the content of job classifications consistent with applicable laws and with due regard for provisions of this Agreement.

If management decision to contract out work being performed by existing employees will foreseeably lead to imminent deletion of existing authorized full time position, the City will provide at least 30 days notice of decision to Union and opportunity to negotiate effects of decision on employees. Negotiation over effects shall not delay moving forward with contracting out work.

It is further agreed that nothing in this Agreement shall in any way diminish the rights of employees, the City, or the Union as established by the Meyers-Milias-Brown Act of the State of California and all amendments

thereto, or Santa Barbara Municipal Code, Chapter 3.12, except as herein provided.

31. MUNICIPAL CODE CHANGES

During the term of the Agreement the City and the Association shall meet and confer with regard to any City proposed changes to Santa Barbara Municipal Code Title 3 which are within the scope of representation. The negotiations will be held jointly with the General bargaining unit. The representatives for the Union shall be limited to SEIU staff and one bargaining unit member from the General bargaining unit and one member for the Treatment and Patrol bargaining units. The negotiations will be interest based.

32. NO STRIKE OR LOCKOUT

The City and the Union agree that during the term of this Agreement the City will not lock-out employees; nor will the Union sanction, support, condone, approve, or engage in any strike, sick-in, slow-down, or work stoppage which is detrimental to providing services to the citizens of Santa Barbara.

33. OFFICER STATUS

City recognizes that Airport Patrol Officers are peace officers pursuant to Section 830.33(d) of the California Penal Code and that Harbor Patrol Officers are peace officers pursuant to Section 830.33(b) of the California Penal Code. Park Rangers are peace officers not authorized to carry firearms pursuant to Section 830.31.

City agrees that during the term of this contract departmental policies and procedures pertaining to the function, duties and responsibilities of said Airport Patrol Officers shall be made available to those officers.

34. OVERTIME

a. The City and the Union agree that overtime work will be assigned to the employees on a rotation basis whenever possible.

b. No employee shall be compelled or permitted to perform work for the City without logging the hours on his or her timecard. Overtime compensation shall accrue for work performed beyond a regularly scheduled work day of at least eight (8) hours at the rate of one and one-half hours of overtime, payable in increments of 15 minutes. This includes overtime work from home or on a mobile device. Work performed for the purpose of computing overtime shall include all paid leave time actually taken as time off. It will not include holiday or other paid leave time "cashed out" but not taken.

c. If an employee is physically called back to the workplace on an overtime basis, such employee shall be compensated for no less than two (2) hours overtime.

d. When an employee is called out on an emergency 3 hours or more before the beginning of his/her regularly scheduled shift, he/she will be provided paid leave time (without deductions from leave banks) to allow five (5) hours off-duty without loss of pay before reporting for the next regularly scheduled shift. With the permission of the Supervisor, the employee may choose to work the beginning of his/her next regularly scheduled shift, and take the equivalent paid rest period at the end of the regularly scheduled shift instead. The City agrees that such permission shall not be unreasonable withheld. At the supervisor's discretion, the employee may be permitted to voluntarily begin his/or her regular shift immediately following the overtime period, and take the equivalent paid rest period at the end of the revised regular shift instead.

Example: Employee's regular shift is from 8:00 a.m. to 5:30 p.m., but employee is called in to work overtime at 4:30 a.m. (3 hours or more before scheduled shift) until 6:30 a.m. Employee may choose to:

- i) Take 5 hours rest and come in at 11:30 a.m., with the period of 8:00 a.m. to 11:30 a.m. (3.5 hours) as a paid rest period; or
- ii) With the supervisors' permission, come in as regularly scheduled at 8:00 a.m. and go home at 2:00 p.m., with the period of 2:00 p.m. to 5:30 p.m. (3.5 hours) as the paid rest period instead; or
- iii) At the supervisor's discretion, the employee may be permitted to revise his or her regular shift to 6:30 a.m. -2:00 p.m., with the period of 10:30 a.m. to 2:00 p.m. (3.5 hours) as the paid rest period instead.

e. If an employee is required to stay beyond the regularly scheduled work day of at least 8 hours and if such overtime extends two (2) hours or more beyond the workday, the City shall provide the employee with nourishment and a rest period. The City will provide one hour of pay for each rest period that is not provided and an additional hour of pay if an employee does not receive nourishment.

f. The parties agree that employees have the right to request cash payment or compensatory time off for overtime worked, but that approval of one or the other benefit remains the right of the City consistent with the needs of the City.

g. The following provisions apply to the accrual and use of compensatory time off (CTO):

1. Value of CTO: CTO will be accrued at the rate of time and one half for each hour of overtime worked.
2. Compensatory Time Bank: Overtime not cashed out shall be maintained in a CTO "Bank". An employee may accrue up to a maximum of 100 CTO hours in his/her bank.
3. Minimum Allowed Accrual: An employee who requests CTO will not be denied the accrual of CTO in lieu of a cash overtime payment if his or her CTO balance will remain below 30 hours.
4. City Directed CTO Cash Out: The City retains the right to cash out CTO hours, other than the 30 hour bank described above.
5. City Directed Use of CTO as Time Off: The City has the right to require employees to take compensatory time off but shall provide a minimum of seven (7) calendar days advance notice in such cases. Management shall not compel an employee to take CTO hours as time off if the employee's CTO bank is less than 30 hours.
6. Employee Requested Use of CTO as Time Off: Denial of an employee's request to take compensatory time off from his/her bank of CTO hours shall require a statement by the Department Head or his designee that approval of the request would unduly disrupt the operation of the department.

g. The City and the Union agree that overtime work accrued during a declared disaster, as determined by the President of the United States, the Governor of the State, the Mayor, City Council, or the City Administrator, shall be compensated at the rate of time and one-half.

b. City agrees to explain all payroll stub information to employee upon request of said employee.

c. City agrees to provide the Union with up to three (3) deduction codes.

d. The parties agree that the City will continue deducting monies from payroll and remit same to Union as authorized by employee payroll deduction authorizations in accordance with present policy. However, when an employee switches from the Treatment and Patrol bargaining units to a unit not represented by S.E.I.U. Local 620, S.E.I.U. dues will no longer be deducted, unless and until the union submits another signed authorization form. Any changes in dues deductions shall be subject to indemnification of the City by the Union.

e. The City shall provide to the Union, on a bi-weekly basis, a new hire and termination list of bargaining unit employees with their name, job classification title and department. The cost of programming said report shall be paid for by the Union.

e. All employees shall participate in the City's payroll direct deposit program.

1. Each employee shall execute a payroll authorization form and submit a voided check or savings deposit slip to the Payroll Office. It shall be the employee's choice as to which bank he or she designates as the institution receiving payroll funds.
2. When the authorization form is properly executed and filed with the Payroll Office, the City will begin automatically depositing the net amount of pay on or before each designated biweekly payday in the employee's designated bank account.
3. Exceptions: An exception to this policy may be granted by the Finance Director to an employee upon a showing of good cause for such exception (e.g., that he/she is unable to establish and/or maintain a personal banking/financial account for direct deposit, or that other personal circumstances necessitate a temporary or permanent exception). The Finance Director may require the employee to renew this exception periodically. Exceptions will not be unreasonably denied.
4. Employees participating in direct deposit will be provided with a payroll detail report each pay period. Alternatively, employees may voluntarily opt out of a paper detail and access this information electronically via the City's computer system. The City may discontinue providing paper pay stubs for employees with direct deposit, effective July 1, 2014 or later, provided that:
 - All employees are signed up for and provided pay stub information via City email on or before pay day; and
 - Employees without regular access to computer or email may request to receive a print out of stub information to be provided on or before pay day

36. PERSONAL LEAVE

a. Employees shall be entitled to 32 hours personal leave each fiscal year per the following schedule:

b. Personal leave days must be taken by the end of each fiscal year or lost. Personal leave shall be scheduled on the same basis as vacation. In no case shall employees be entitled to cash payment for personal leave days not taken.

d. An employee may use personal leave as personal necessity when it is not possible to use on non-work time subject to the following two conditions: 1) Reasonable advance notice which shall not be less than one (1) hour before the employee's shift or when reasonable advance notice cannot be

given, no later than 15 minutes after the scheduled shift has begun; 2) Subject to supervisory approval based on operational needs.

d. City shall maintain minimal staffing on workday afternoon prior to New Years and Christmas holidays so that as many employees as possible may enjoy personal leave, vacation, or C.T.O. at those times.

37. PERSONAL PROPERTY DAMAGE REIMBURSEMENT

Any employee entitled to a uniform allowance who experiences a loss or damage to personal property may submit a claim to his/her immediate supervisor for consideration of reimbursement. The claim shall be submitted within fifteen (15) days after the loss or damage is sustained. The claim shall contain the following information: type of item, date of purchase, replacement cost, condition, description of damage, circumstances, etc. If the personal property is stolen, a report shall be filed with the Police Department.

The following conditions must apply for the claim to be considered:

- a. The loss must be in the line of duty.
- b. There must not be contributory negligence or carelessness on the part of the employee.
- c. There must not be other means of recovery such as, but not limited to, court action or insurance.
- d. The personal property for which the claim is made must be owned by the employee involved. Exceptions to the above may be referred to the Department Director for approval.
- e. \$200 limit per item claimed unless personal property item has written pre-approval by the Department Head.

The supervisor shall conduct an inquiry into the validity of the claim and forward it to the Division Manager with his/her recommendation. The Division Manager shall review the claim and forward his/her recommendation to the Department Director. The Department Director will approve or deny the claim. Claims meeting the above criteria shall not be unreasonably denied.

Reimbursement will be calculated from the following schedule:

For employees who retire on or after January 1, 2011, the City shall contribute \$12.00 per month, per year of service up to a maximum of 35 years (i.e., \$420/month) towards the purchase of medical insurance for the retiree and his/her spouse or domestic partner registered with the City Clerk's Office or the Secretary of State, if applicable.

c. The retiree is not limited to purchase of a City sponsored plan, provided however, that if the retiree purchases another insurance plan, the retiree must supply the City with adequate proof of insurance coverage prior to any contribution from the City. Proof of such coverage shall be provided to the City on a periodic basis, as reasonably determined by the City.

d. The City shall continue to make its contribution until the retiree reaches age 65 or dies, whichever occurs first, provided however, that if the retiree dies before reaching the age of 65 and there is a surviving spouse or registered domestic partner, the City's contribution shall cease when the retiree would have reached age 65. Thereafter, the spouse may remain on the insurance plan, at his/her own cost, subject to the conditions set forth by the insurance company.

e. In the event Health Care legislation is passed which affects the nature of the benefit described above, the parties will reopen negotiations and modify this benefit, if necessary, so as to maintain their original intent (e.g., eligibility, scope, cost).

f. If any Court decision with binding effect on the City of Santa Barbara rules that a retiree medical provision like the provision contained herein violates the State or Federal law against age discrimination, the parties agree that within 30 days they will reopen negotiations on said provision to convert to a retiree medical policy with equivalent cost that does not violate age discrimination law. The parties agree that whatever policy is agreed upon will not reduce or increase the City's contribution toward retiree medical insurance.

4. The employee does not perform any productive work during such attendance.

Attendance is not voluntary if it is required by the City. It is not voluntary in fact if the employee is given to understand or led to believe that his/her present working conditions or the continuance of his/her employment would be adversely affected by nonattendance.

The training is directly related to the employee's job if it is designed to make the employee handle his/her job more effectively as distinguished from training him/her for another job, or to a new or additional skill.

If the training is considered compensable and travel time is associated with the employee's attendance, the following must be considered:

- **Travel During Regular Working Hours.** If the travel time related to attending required training occurs during normal working hours, then the time is considered to be compensable.
- **Special One-Day, Out-of-Town Travel.** Travel time associated with special one-day, out-of-town training is required to be paid for irrespective of the mode of transportation utilized or whether the employee drives or is a passenger. Time that can be excluded from payment is normal home-to-work travel time and time spent eating while traveling.
- **Overnight Travel.** If an employee travels overnight on business (for more than one day), the employee must be paid for time spent in traveling (except for meal periods) during his/her normal working hours on non-working days, such as Saturday, as well as on his/her regular working days. Travel time as a passenger on an airplane, train, boat, bus, or automobile outside of regular working hours is not considered worktime, provided however, that any work which an employee is required to perform while traveling shall be considered as hours worked.

If an employee is offered public transportation but requests permission to drive his/her car instead, the City shall count as hours worked, the time spent driving the car or the time the employee would have had to count as hours worked during working hours if the employee had used the public transportation, whichever is less.

Exempt Employees

In the case of an exempt employee, the MOU language (other than the FLSA requirements applicable to non-exempt employees) determines whether training or related travel time is compensable. Exempt employees will only be paid for time spent in required training and travel during normal work hours.

Travel outside of regular work hours is excluded.

c. For Harbor and Airport Patrol Officers, the City agrees to encourage employees to voluntarily develop their job skills through the coordinated use of City Police Department audio visual training materials in instances where the nature of their jobs would make such training valuable to employee job performance. The City agrees that Peace Officers Standard Training (P.O.S.T.) is desirable for Airport and Harbor patrol officers. The City may provide such training to patrol officers through and including P.O.S.T. Level I.

d. Employees will be eligible to participate in the Citywide Educational Reimbursement Program. The union waives any requirement for the City to meet and confer on enhancements to this policy to increase the maximum reimbursement (currently \$1000) or expand reimbursement eligibility. However, the City will notify the union of any such change.

e. In the event an Airport Patrol Officer chooses to take the FAA Ground School on his or her own time, and successfully completes the school and passes the written examination, then, upon verification thereof, the City shall reimburse such employee for his or her expenses for required books and the course fee up to \$200.

59. UNAUTHORIZED LEAVE/SUSPENSION

No sick leave, vacation, or holiday shall be paid to an employee during any period of unauthorized leave or suspension. An employee's absence shall be unauthorized if such employee does not report absence to supervisor designated by Department Head within one-half (1/2) hour before or after his/her regular starting time, except in cases of emergency in which case the employee shall provide notification as soon as possible.

60. UNIFORM MAINTENANCE ALLOWANCE

a. The parties agree that the following classifications, shall receive an annual cash uniform purchase and replacement allowance as follows:

<u>Time Period</u>	<u>Airport Patrol</u>	<u>Harbor Patrol</u>	<u>Park Ranger</u>
October 1, 2021-September 30, 2023	\$1064	\$1004	\$969

Payment of the Uniform Maintenance Allowance will be paid to employees per pay period.

It is agreed that the above uniform allowance shall be applied towards the purchase of appropriate shoes.

b. The City and the Union agree that employees required by the City to wear uniforms and not receiving a Uniform Maintenance Allowance from the City for participation in a uniform laundry service shall have the full cost of the uniform maintenance paid for by the City. The City retains full and complete control over the administration of the uniform maintenance program. City shall provide all personnel at all treatment plants and in distribution and collection, except Laboratory Technicians, with a minimum of ten (10) uniform changes and a maximum of twelve (12) uniform changes based on the employee's request.

The City shall provide five (5) coverall changes for all Treatment Plant Mechanics and for Operators at El Estero Wastewater Treatment Plant. Operators at the Water Treatment Plant(s) shall receive three (3) coverall changes. The City shall provide Laboratory Technicians with two (2) coverall changes and three (3) laboratory coat changes.

On an annual basis, Airport Operations staff will be provided, five (5) SBA branded polo shirts or button up shirts (long sleeve or short sleeve), one (1) SBA branded jacket, one (1) SBA branded hat. Employees may request additional clothing at their own expense. On a case-by-case basis, employee clothing that is damaged or destroyed while performing job duties will be considered for replacement by Santa Barbara

Airport.

61. UNION BUSINESS ATTENDANCE

Up to 120 paid leave hours will be available each year for union activities including training, conference attendance and other off-site union related business. Not more than five (5) Union officers or chief stewards will be permitted to access such hours in any one year, with no more than 40 hours used for any one employee. Release time will be subject to approval of scheduling with department management and prior notification to the Human Resources Manager. The employee will use the designated code to identify the use of Union Business Attendance time on the employee's time sheet.

62. UNION NOTICE- EMPLOYEE ORIENTATION & INTERDEPARTMENTAL TEAMS

a. The City will provide the union a list of attendees in the bargaining unit at a group New Employee Orientation meeting not less than two weeks prior to the orientation along with the date, location, and time for the Union's presentation. The City will provide a Union representative an opportunity during the orientation to provide information to bargaining unit members regarding the benefits and obligations of union membership. Such presentation shall not exceed 15 minutes in duration. Management may witness the Union's presentation.

b. The City will provide the Union with advanced written notice of Interdepartmental Team Opportunities offered through its Succession Program that are offered to bargaining unit members, along with the anticipated scope of work. The Union will notify the City if the Union believes that the anticipated scope of work may involve issues within the scope of collective bargaining and lodge a written demand to bargain on such issues. Bargaining unit member participation on an Interdepartmental Team will not constitute collective bargaining nor satisfy any duty for the City to collectively bargain with the Union.

63. UNION STEWARDS

a. The City agrees that the Union may designate Union stewards to represent employees in the processing of grievances. The Union shall furnish the City with a list identifying by name and work location all Union stewards. Said list shall be kept current by the Union at all times. Union stewards may begin representing a grievant only after the employee has tried to resolve the problem with his/her immediate supervisor and the two parties failed to reach a resolution to the problem.

b. City will remind supervisors annually of employee "Weingarten" rights to union representation. Upon the Union's request, City will review and comment on proposed Union communication to its members about such rights.

64. UNION SECURITY & MAINTENANCE OF MEMBERSHIP

a. Dues Deductions - Any of the union dues related payment obligations shall be processed by the City in the usual and customary manner and time frames.

b. Leave Without Pay - Employees on an unpaid leave of absence for an entire pay period or more shall have their dues deductions suspended.

behalf of the City under this Section.

d. Maintenance of Membership – All regular unit employees who are members of the Union in good standing shall maintain their membership in the Union in good standing, subject however, to the right to resign from membership by submitting a written request to the Union during the month of August annually.

Resignation requests submitted to the City shall be referred to the Union. When resignation requests are received outside the window period the Union will promptly provide such members a letter explaining the maintenance of membership provision, along with a copy of this section of the MOU.

65. USE OF COMPUTER RESOURCES

Employees' rights and obligations regarding use of the City's computers and computing resources are governed generally by the City's computer use policies. The Union and the City agree that occasional and incidental employee use of City computing resources for union business is allowable within the same parameters applied to other acceptable non-commercial personal use under those policies.

The parties agree that such use shall not interfere with the performance of work duties or the effective delivery of services, and shall not result in any significant cost to the City or compromise the security of City systems. The parties further agree that City computer resources, including the e-mail system, will not be used by the Union or City employees to support or oppose a political campaign or ballot measure.

The Union acknowledges that employees have no expectation of privacy in the use of City computer resources, including but not limited to e-mail and text messaging, even if they are locked or password-protected.

66. VACATION POLICY

a. Effective July 4, 2020 All employees shall begin accruing vacation effective the first day of employment. It is agreed that vacation time earned may be taken as accrued subject to approval by the City and in accordance with the following schedule:

<u>Length of Continuous Service</u>	<u>Vacation Entitlement</u>
0 - 2 years	(96 hours) per year
3 - 5 years	(120 hours) per year
6 - 10 years	(176 hours) per year
11 - 15 years	(200 hours) per year
16 & Over Years	(224 hours) per year

Vacation periods shall be scheduled by management to provide adequate staffing. Such scheduling shall be subject to the needs of the City but shall take into account employee seniority and choice.

67. Maximum vacation accrual balance will be 600 hours. VACATION & SICK LEAVE ADVANCED CREDIT UPON HIRE

a. An employee who is appointed from outside City of Santa Barbara government service within one (1) year of leaving employment with either the City of Santa Barbara or another city, county, state agency, federal agency or special district and who, in the opinion of the Human Resources Manager, possesses government experience directly related to the position to which he or she has been appointed, may be offered credit for years of prior service with the City of Santa Barbara and/or his or her immediate previous government employer in the following ways:

- i. Vacation Accrual: At the discretion of the Human Resources Manager, the employee may be offered credit for up to the total number of prior full years of service at the City of Santa Barbara and/or his or her immediate previous government employer toward the initial vacation accrual rate. The employee will not be eligible to progress to a higher accrual rate until employee has the normal required minimum amount of City of Santa Barbara service for that accrual rate.
- ii. Sick bank: At the discretion of the Human Resources Manager, the employee may be credited with up to 96 hours of sick leave. Thereafter, employee will accrue sick leave at the normal rate.

b. A former City of Santa Barbara employee reemployed within one year under Santa Barbara Municipal Code Section 3.16.320 will automatically qualify for the full vacation accrual credit under (i), above, for his or her prior City of Santa Barbara service. However, under no circumstance will prior accrued vacation balances cashed out to the employee upon termination be reinstated.

68. WORK SCHEDULE

a. The normal work week shall average forty (40) hours. There shall be at least two consecutive days of rest observed after each work week subject to City needs for standby, call back, overtime and regularly scheduled shift changes. The Department Head shall establish a "regular" schedule for each employee with a start and quit time. Such schedule shall not be changed without forty-eight hours (two days) advance notice except in emergencies. City shall provide employees with reasonable "clean-up" time and employees shall be ready to begin work at start time. City agrees that work outside the regularly scheduled workday shall be compensated in accordance with the overtime policy contained herein.

b. In no case shall an employee's work schedule be altered to avoid the payment of overtime earned as a result of call back after the employee's regular shift, work day, or work weekends.

c. It is the intent of the City, when staffing permits, to assign a minimum of two (2) Harbor Patrol Officers to each shift at the Harbor and a minimum of two operators to the El Estero Treatment Plant.

d. Airport Patrol Officers shall be scheduled on either a four-ten work week (4/10), a three-twelve (3/12) work week, or a three-twelve-and-a-half (3/12.5) work week schedule. Assignment to one of these work schedules shall have no effect on accrual rates or employment terms.

e. The City may require Harbor Patrol Officers to work a four-ten work schedule. The continuation of this schedule shall be subject to Department Head approval with input from affected employees and based on the following criteria: costs, staffing, overlap and mission.

This change to a four-ten work schedule shall have no effect on accrual rates or employment terms.

f. Employees on a 9/80 Work Schedule will be covered under the "9/80 WORK SCHEDULE POLICY" contained in Appendix D.

69. WORKERS' COMPENSATION

a. The parties agree that Municipal Code Section 3.08.220 shall be amended to provide that employees who sustain illness or injury arising out of and in the course of their City employment shall receive benefits equal to those mandated by the State of California plus the difference between State mandated benefits and the equivalent of eighty-five percent (85%) of the individual's gross (excluding O.T.) salary, if any, paid by the City for a maximum of ninety (90) working days.

b. Once an individual is no longer eligible for continuation of 85% of his/her gross pay as described in (a) above and are still unable to return to work, the City shall continue to pay its contribution to insurance for the first ninety (90) calendar days.

c. This section shall not be construed to grant employees the use of sick leave benefits in lieu of or to supplement workers' compensation benefits provided herein or by State law, except as follows.

An employee who returns from an accepted work-related injury or illness to regular duty or modified duty may attend follow-up medical appointments during work hours when it is not possible to arrange such appointments on non-work time. Reasonable advance notice must be given to the supervisor, which in no event shall be less than 24 hours. Release time is subject to supervisory approval based on operational needs.

Under these conditions, to account for the lost work time to attend physician, physical therapy, chiropractic, counseling and other physical and mental care appointments, the employee may:

1. Use accrued paid leave time (sick leave, vacation time, compensatory time, or personal leave); or
2. Use "industrial leave without pay" if employee has no accrued paid leave time, or
3. If the employee has not reached a permanent and stationary status, the employee may elect to use "industrial leave without pay" if employee does not choose to use accrued paid leave (sick leave, vacation time, compensatory time, or personal leave). However, employees who have reached permanent and stationary status must exhaust available leave balances before being placed on leave without pay.

An employee who has not reached a permanent and stationary status and uses industrial leave without pay may be entitled to "wage loss" under workers' compensation system

depending on eligibility.

The City may make changes to its Personnel Policies including, but not limited to, the Santa Barbara Municipal Code to reflect the substance of this Agreement.

70. WORKING OUT OF CLASSIFICATION

The City and the Union agree that it is the intent of departmental management to avoid working an employee out of classification.

It is further agreed that working an employee out of classification will occur only to meet the work requirements within the City and that such out of classification work will terminate after fifteen (15) consecutive work days or thirty (30) work days in any one calendar year, or if extended beyond fifteen (15) consecutive or thirty (30) work days, the employee shall be compensated at the rate of the higher classification while the out of classification work continues subject to right of employee to waive this provision based upon personal career development.

For purposes of this article, an out of classification assignment is defined as assignment by the Department Head or designee of the full-time performance of the significant duties of an authorized, funded, regular full-time position in one or more higher classification(s) by an employee in a position in another classification. "Significant duties" shall be as defined on the appropriate class specification.

When an employee works out of classification continuously for fifteen (15) working days or more, the City shall place a letter in the employee's personnel file acknowledging the out of classification work.

It is the intent of this article to compensate employees for assigned out of class work extended beyond fifteen (15) consecutive or thirty (30) work days in any one calendar year.

Effective February 1, 2014, Water Resources Division Operators in Training (OIT's) who meet the minimum qualifications of (entry/journey level) an operator position, (certification/experience) and who are assigned to perform full (entry/journey) level duties of that position, will be eligible for acting pay (working out of class pay) under this provision.

Reclassification Requests

If an employee believes he/she is working out of classification on a regular on-going basis, the employee may:

- a. Request a reclassification from his/her manager in writing. The manager shall respond in writing within ten (10) working days of receipt of the request. The manager may recommend that a classification review be conducted by submitting a written request, approved by the Department Head, to Human Resources.
- b. If the employee is not satisfied with the manager's response, he/she may submit a written reclassification request to his/her Department Head or designee within ten (10) working days of receiving his/her manager's written response. Within twenty (20) working days of receipt of the employee's written request, the Department Head or designee shall meet with the employee and issue a written response to the employee and the Human Resources Office.
- c. If the Department Head's response so requests that a classification review be conducted, Human Resources shall conduct said classification review and shall issue its decision to the employee and the Department Head within forty-five (45) working days of receipt of the request.

APPENDIX 'A'

SHIFT DIFFERENTIAL EXAMPLES

Example 1. An employee is assigned to work a ten (10) hour shift from 3:30 p.m. to 1:30 a.m. Because 50% or more of the assigned shift hours fall between 5:00 p.m. and midnight, the employee is entitled to Swing Shift Differential pay. If that employee is asked to work overtime from 1:30 a.m. to 3:30 a.m., the employee will be entitled to Swing Shift Differential pay at the overtime rate for the additional two hours (1:30 a.m. to 3:30 a.m.) worked.

Example 2. An employee is assigned to work an eight (8) hour shift from 7:30 a.m. to 4:00 p.m. and is then directed to work an additional five (5) hours to cover for a sick employee from 4:00 p.m. to 9:00 p.m. The employee is not entitled to shift differential pay because the assigned shift hours (7:30 a.m. to 4:00 p.m.) do not qualify for shift differential and the overtime worked is less than eight hours.

Example 3. An employee is assigned to work 8:00 a.m. to 4:30 p.m. However, on this particular day, the employee is assigned to work from 3:00 a.m. to 8:00 a.m. in addition to the assigned regular shift hours in order to cover for an absent employee. The employee is not entitled to shift differential pay because the assigned shift hours do not qualify for shift differential.

Example 4. An employee is assigned to work 7:30 a.m. to 4:00 p.m. and then is directed to work additional time for an emergency situation. The employee then works until 1:00 a.m. The employee is entitled to Swing Shift Differential pay at the overtime rate for the period of 4:00 p.m. to 1:00 a.m. The employee has in effect worked two shifts.

Example 5. An employee is assigned to work the swing shift between 4:00 p.m. and midnight and then is assigned to work the graveyard shift from midnight to 8:00 a.m. In this case the employee is assigned to work two distinct shifts. Therefore, the employee is entitled to Swing Shift Differential pay for the time between 4:00 p.m. to midnight and Graveyard Shift Differential pay at the overtime rate for the hours from midnight to 8:00 a.m.

Example 6. An employee is assigned to work the graveyard shift between midnight and 8:00 a.m. and then is assigned the day shift from 8:00 a.m. to 4:30 p.m. As in Example 5, the employee is assigned two distinct shifts; therefore, the employee is entitled to Graveyard Shift Differential for the time period of midnight to 8:00 a.m., but no shift differential for the time period of 8:00 a.m. to 4:30 p.m.

Example 7. An employee is assigned to work from 4:00 p.m. to midnight. That employee leaves work at midnight, goes home, and then is called back to work between 2:00 a.m. and 7:00 a.m. That employee is entitled to Swing Shift Differential pay for the regular assigned shift from 4:00 p.m. to midnight. The employee is not entitled to shift differential pay for the overtime hours (2:00 a.m. to 7:00 a.m.) because it is considered a call back of less than eight hours.

Example 8. An employee is assigned to work 7:30 a.m. to 4:00 p.m. and then is called back to work at 7:00 p.m. and works until 3:00 a.m. due to an emergency situation. The employee is entitled to Swing Shift Differential at the overtime rate for the call back of eight hours or more (7:00 p.m. to 3:00 a.m.).

CITY OF SANTA BARBARA

FAMILY FRIENDLY PERSONNEL POLICIES

February 20, 1990

Note: A leave or reduced schedule approved under one of these policies runs concurrently with any applicable leave entitlements under the FMLA/CFRA Family and Medical Leave Policy.

Contents

- 1. Maternity Leave Policy**
- 2. Parental Leave Policy**
- 3. Flexible Leave Policy**
- 4. Alternative Work Schedules**
- 5. Job Sharing**
- 6. Part-time Work**
- 7. At-home Work**

1. **MATERNITY LEAVE** (medical leave)

The City of Santa Barbara is committed to providing time off from work, so far as possible, to employees during pregnancy and following childbirth.

Maternity leave requests, including both medical and non-medical components (see section on Parental leave for information regarding non-medical leave), must be submitted to the City Administrator via the Department Head at least 30 days in advance. The requirement for 30 days advance notice may be waived when warranted by unexpected medical circumstances. Pursuant to state law, maternity leaves for medical reasons will be granted for up to four (4) months and may be extended up to a maximum of one (1) year subject to the operational needs of the department as determined by the Department Head. All medical leaves must be verified by a doctor's certificate of disability.

When an employee is physically disabled from work due to pregnancy or following childbirth, the employee will obtain a doctor's certificate of disability indicating the dates when the employee will be physically unable to work. When physically disabled, the employee may use sick leave or other paid leave. An employee disabled due to pregnancy or childbirth may request an unpaid leave of absence for medical reasons once her sick leave and other paid leave balances total less than forty (40) hours. A doctor's note listing the dates of the disability must be submitted with the medical leave request. Any leave of absence greater than 7 days must be approved in advance by the City Administrator.

The City will coordinate an employee's use of State Disability Insurance (SDI) with City paid leave which allows employees on maternity leave and covered by SDI to extend the use of their paid leave time.

When an employee is on medical leave of absence due to pregnancy, the City will continue to pay the employer portion of the insurance for the first ninety (90) days of the medical leave of absence. Thereafter, an employee will have to pay both the employer and the employee portions of her insurance.

2. **PARENTAL LEAVE** (all employees, non-medical leave)

The City recognizes that after the birth or adoption of a child, it is important for a parent to be with his or her child. As a result, the City encourages Department Heads to accommodate requests for parental leaves to care for a newborn or newly adopted child.

Parental leaves shall be with pay if the employee has leave balances of vacation, personal leave, or compensatory time. An employee may request a parental leave of absence without pay when the employee's paid leave balances total less than forty (40) hours (see section on Maternity Leave for information regarding medical leave related to pregnancy and childbirth).

Parental leave requests must be submitted to the City Administrator via the Department Head at least 30 days in advance. When requested, parental leaves will be approved for a length of time sufficient to provide the employee a minimum of one (1) month absence from work. Any medical leave related to pregnancy and child birth (maternity leave) will not be counted in the minimum one (1) month. The scheduling of parental leave is subject to the approval of both the City Administrator and Department Head based on the operational needs of the department. Extension of the parental leave of absence may be granted, subject to the approval of the City Administrator, via the Department Head. The total duration of the combined medical and parental leaves of absence cannot exceed one year.

Employees are encouraged to discuss their time off needs with their supervisors as early as possible. Employees are also encouraged to save their vacation, personal leave, and compensatory time for use during a parental leave. Temporary waivers of the minimum annual vacation use and maximum vacation accrual will be considered to assist prospective parents in building their leave banks.

While on parental leave of absence without pay, an employee will have to pay both the employer and employee portions of his or her insurance.

3. **FLEXIBLE LEAVE POLICY** (All employees)

Employees may use accrued personal leave, vacation, comp time, to respond to emergency needs for spouse or dependent*, such as illness, child care or elder care. The employee shall notify his/her supervisor immediately of the nature of the emergency. Approval for leaves under this policy shall not be unreasonably withheld. Advance approval for spouse or dependent illness is not required.

* For purposes of this policy, a dependent is one who is a dependent pursuant to IRS regulations.

4. **ALTERNATIVE WORK SCHEDULES** (All employees)

The City believes that alternative work schedules are viable options to meet personal needs in areas such as child care and transportation where such schedules continue to meet the operational needs of the department.

Individual employees may request alternative work schedules which meet their personal needs and the operational requirements of the department. Alternative schedules may be different daily work hours or a different work week. Approval for reasonable alternative work schedules is subject to the operational needs of the department as determined by the Department Head. The continuation of such schedules shall be subject to Department Head review with reasonable input from affected employees.

5. **JOB SHARING** (All employees)

The City recognizes that job-sharing may facilitate the balancing of employees' personal needs with their job responsibilities. As a result, the City encourages Department Heads to attempt to accommodate requests for job-sharing subject to the operational needs of the department as determined by the Department Head.

An employee may request that his/her full-time position be redefined as a job-sharing position to be filled by two part-time employees. Requests for job sharing positions shall be submitted to the Department Head and require final approval by the City Administrator and City Council.

Job sharing positions may be discontinued at the discretion of the Department Head, with 30 days notice to affected employees.

6. **PART-TIME WORK** (All employees)

An employee may request to work on a part-time basis. A request to work part-time for a limited duration is subject to the operational needs of the department as determined by the Department Head. The Department Head may grant part-time assignments of limited duration. Extensions of part-time assignments will be considered upon employee request.

All part-time assignments may be periodically reconsidered by the Department Head. If the Department Head determines additional hours are required in the position, the employee will be given thirty days notice of the requirement to work increased hours.

Part-time assignments must be a minimum of 20 hours per week. Part-time regular employees receive insurance benefits and paid leave benefits prorated based on the number of hours worked.

To change an employee from full-time to part-time status requires a Personnel Action Form (PAF) and notification to the Personnel Office.

7. **AT-HOME WORK** (All employees)

With prior approval of the Department Head and review by Risk Management, an employee may request to work at home on a limited-term basis. All requests will be subject to the operational needs of the department as determined by the Department Head. Increased City liability including safety and workers' compensation issues will be closely reviewed prior to granting at-home work requests.

Requests for work schedules which include working at home for part of the regular work week may be submitted to the Department Head. Authorization for such schedules for either a predetermined or indefinite length of time will be made based on the following criteria:

- a) the operational needs of the department work site must be met adequately;
- b) the job duties must be such that work can be accomplished at home;
- c) proper equipment and supplies necessary to the job assignment can be provided at reasonable cost;
- d) sufficient measures of productivity can be determined;
- e) efficient and effective methods can be established for supervisory review of work assignments;
- f) the employee can be contacted at home during predetermined work hours.

Plans for meeting each of these criteria should be submitted in writing to the Department Head for evaluation. Once approved, at-home work schedules are subject to periodic review and may be discontinued at the discretion of the Department Head, with fourteen (14) days notice to the employee.

A screening test will be conducted first. If the result is an alcohol concentration level of less than 0.02, the test is considered a negative test. If the alcohol concentration level is 0.02 or more, a second confirmation test will be conducted. A positive test for alcohol means a confirmed alcohol concentration of 0.08 or more.

The procedures that will be utilized by the collection and testing of the specimen shall be the same as those required under the City Of Santa Barbara Drug And Alcohol Testing Policy Pursuant To Department Of Transportation Regulations (49 CFR 40).

2. Drug Testing:

Drug testing will be conducted pursuant to the same requirements as those required by the City Of Santa Barbara Drug And Alcohol Testing Policy Pursuant To Department Of Transportation Regulations (49 CFR Part 40).

- a. The urine specimen will be split into two (2) bottles labeled as: primary" and "split" specimen. Both bottles will be sent to the lab;
- b. A positive test means a test that is positive for controlled substances under the Federal D.O.T. Urine Specimen Testing Levels (Current levels ATTACHMENT B). If the urinalysis of the primary specimen tests positive for the presence of controlled substances, the employee has seventy-two (72) hours to request that the split specimen be analyzed by a different certified lab at the employee's cost.
- c. The urine sample will be tested for the following: marijuana, cocaine, opiates, amphetamines, and phencyclidine;
- d. If the test is positive for one or more of the drugs, a confirmation test will be performed using gas chromatography/mass spectrometry analysis;
- e. All drug results will be reviewed and interpreted by a physician before they are reported to the employee and then to the City;
- f. With all positive drug tests, the physician (a.k.a. Medical Review Officer) will first contact the employee to determine if there is an alternative medical explanation for the positive test result. If documentation is provided and the MRO determines that there was a legitimate medical use for the prohibited drug, the test result may be reported to the City as "negative."

3. Confidentiality:

The confidentiality of records shall be maintained in the same manner as set forth in the City Of Santa Barbara Drug And Alcohol Testing Policy Pursuant To Department Of Transportation Regulations.

H. CONSEQUENCES OF FAILING/REFUSING AN ALCOHOL AND/OR DRUG TEST:

UPON FAILING A POST-ACCIDENT ALCOHOL AND/OR DRUG TEST THE EMPLOYEE:

1. Will be removed from driving or operating any heavy or dangerous equipment;
2. May be disciplined up to termination. Failing/refusal to take a controlled substances/alcohol test may result in disciplinary action, up to and including termination.

3. May be allowed to sign a last chance agreement as an alternative to discipline which could require the employee to undergo treatment to cure his/her alcohol or drug abuse and be tested periodically. Generally, an employee who tests positive and has not been found to be using alcohol or drugs on-duty will be offered a last chance agreement. The City does not pay for this examination or any treatment. However, if the exam and/or treatment is covered by the employee's insurance policy, the employee may use the insurance policy to (help) pay for the covered expenses.
4. The employee may use accumulated vacation, personal leave, overtime or leave without pay while undergoing treatment/rehabilitation
5. The employee may use sick leave only when participating in a medically supervised/approved residential rehabilitation program or during the first ninety (90) days of a medically supervised/approved outpatient rehabilitation program.
6. May not be returned to his/her position until the employee submits to a return-to-duty controlled substances and/or alcohol test (depending on which test the employee failed) which indicates an alcohol concentration level of less than 0.08 or a negative result on a controlled substances test;
7. May be required to submit to unannounced follow-up testing after he/she has been returned to his/her safety-sensitive position.

J. EMPLOYEE ASSISTANCE PROGRAM (EAP)

The City has established an Employee Assistance Program to help employees who need assistance with alcohol and controlled substance abuse. Employees are encouraged to contact the City's Benefits Office for the number of the current EAP provider.

Policy No. TBA

9/80 WORK SCHEDULE POLICY

Issued by: Barbara Barker, Human Resources Manager

Adopted: 5/8/2007
Updated

PURPOSE:

To set forth the City of Santa Barbara's policy and procedures governing the establishment and administration of an alternate work schedule commonly referred to as "9/80's".

This policy is intended to complement the provisions of the City of Santa Barbara's "FlexWork Policy" and "Child Care Personnel Policies". However, in the event of a conflict between those provisions and this policy, this policy shall control for all purposes.

POLICY:

The 9/80 alternate work schedule may be the standard assigned schedule for a position or work unit, or may be granted, at the employee's request, as an alternative work schedule under the City's FlexWork Program or Childcare Personnel Policies (also called "Family Friendly Policies"). The guidelines set forth in this policy will apply to any employee working a 9/80 schedule.

DEFINITIONS:

1. 9/80 Alternate Work Schedule

The 9/80 alternate work schedule shall consist of eight (8) work days of nine (9) hours and one work day of eight (8) hours for a total of eighty (80) hours during two (2) consecutive work weeks. For non-management employees, the eight (8) hour work day must be on the same day of the week as the employee's regular Flex Day Off (FDO). Under the 9/80 schedule, one calendar (e.g, Saturday-Friday) week shall consist of 44 work hours (four 9-hour days and one 8-hour day) and the alternating calendar week will consist of 36 work hours (four 9-hour days and one day off).

2. Flex Day Off

The Flex Day Off (FDO) shall be an eight (8) hour day and may occur on any day of the week. For non-management employees, the FDO must be the same day of the week as the employee's 8-hour work day that occurs in the preceding and subsequent work weeks (e.g., if the employee's regularly scheduled Flex Day Off is each alternate Friday,

POLICIES:**

Policy No. TBA

then the employee shall be scheduled to work eight hours the preceding and subsequent Fridays).

3. 9/80 FLSA Workweek

Under the Fair Labor Standards Act, the workweek is defined as “a fixed and regularly recurring period of seven consecutive 24-hour periods (168 hours).” When an employee is assigned to a 9/80 schedule, the 9/80 work week begins on the employee’s 8 hour day, at exactly four (4) hours after the scheduled start time and ends 168 hours later, at the same time on the same day during the following week. This results in 40 straight time hours per FLSA workweek, and 80 straight time hours per pay period.

4. City Pay Period

The City’s pay period begins at 12:00 a.m. (midnight) on Saturday, and ends immediately before the same time on Friday two weeks later. This is different than the FLSA work period for an employee on a 9/80 schedule, whose FLSA workweek may span 2 pay periods.

5. Fair Labor Standards Act (FLSA)

The Fair Labor Standards Act is a Federal law that sets minimum wage, overtime pay, equal pay, recordkeeping, and child labor standards for employees that it covers.

6. Non-Exempt Employee

A non-exempt employee is an employee who, because of the type of duties performed, the usual level of decision making authority, and the method of compensation, is subject to the provisions of the Fair Labor Standards Act. Nonexempt employees are generally required to account for all hours worked and must be compensated at not less than time-and-one half at the regular rate for all hours worked over 40 in one FLSA workweek.

APPROVAL:

Scheduling of a 9/80 Work Schedule including the selection of the work days, work times, and the FDO, shall be done by management based on business needs, subject to the requirements of the applicable M.O.U. and/or sideletter governing the 9/80 Work Schedule.

**CITY OF SANTA BARBARA ADMINISTRATIVE
POLICIES:**

Policy No. TBA

9/80 WORK SCHEDULE POLICY

Issued by: Barbara Barker, Human Resources Manager

Adopted: 5/8/2007
Updated

The City and the Union agree that under certain circumstances, alternative work schedules (9/80, 4/10, and/or modified starting or ending times) may be beneficial to both employees and the City. Employees may request, upon their own initiative, consideration of an alternate schedule and/or FDO based on childcare, alternative commute, school, or other personal issues through the FlexWork Policy or Childcare Personnel Policies.

[For General, Treatment and Patrol, and Hourly bargaining unit members: When a change to or from a standard 9/80 work schedule is made at the City's initiative, the City will make every reasonable effort to give the affected employee 30 calendar days notice and the opportunity to apply for accommodation under these policies. All such requests will be considered in good faith, and will not be denied for arbitrary or capricious reasons.]

CHANGES TO SCHEDULE LIMITED:

1. Changing the Flex Day Off

Once the FDO is designated, working on the FDO may incur overtime in one or more FLSA workweeks, therefore working on the FDO or making changes to the FDO requires management approval.

Temporary changes to the FLSA workweek and/or the FDO to avoid overtime are not permitted.

2. Working on the 8 Hour Day

Once the 9/80 schedule begins, working an alternate schedule on the 8 hour work day may incur overtime liability* in one or more FLSA workweeks. Therefore, altering an employee's schedule on the 8 hour day requires management approval. (*e.g., if an employee scheduled to work from 8-5 comes in 7-4 instead, one work week will incur 1 hour of overtime, and the employee will be short an hour in the next work week and need to use leave balances.)

HOLIDAYS, PERSONAL TIME OFF AND JURY DUTY:

1. Holidays

Employees on a 9/80 work schedule who are eligible for holiday pay will be entitled to the same Holiday pay as employees on a 10/80 (40 hour) work schedule. Holiday pay shall remain at eight (8) hours. When a holiday falls on a regular nine (9) hour workday, the employee shall use one (1) hour of personal accrued leave time (vacation, personal leave, or comp time) to make up the ninth hour.

When the holiday is observed on the employee's FDO, the employee will accrue an additional 8-hour holiday day off. If required under the applicable M.O.U., such day off shall be taken within thirty (30) calendar days or shall be compensated at straight pay after the 30th day.

2. Personal Leave and Bereavement Leave

Employees on a 9/80 work schedule who are eligible for personal and/or bereavement leave will be entitled to the same Personal Leave and/or Bereavement pay as employees on a 10/80 (40 hour) work schedule. Personal Leave and Bereavement pay are granted to full-time employees in amounts equivalent to 8 hour days (e.g., the employee will be eligible for a total of up to 32 hours of personal leave and up to 40 total hours of bereavement leave). Personal Leave and Bereavement pay are charged at nine (9) hours for time taken on a scheduled nine hour day and (8) hours for time taken on a scheduled eight hour day.

3. Vacation, Sick, Compensatory Time, PTO, etc.

Time off from work using accrued vacation, sick, PTO, or other paid leave banks will be charged at nine (9) hours for time taken on a scheduled nine hour day. Time off from work on the eight (8) hour work day will be charged at eight (8) hours.

4. Jury Duty

An employee shall not be entitled to jury duty pay, or to overtime pay or compensatory time off for jury duty on the FDO. However, an employee on an absence exceeding one week for jury duty, military duty, etc. may request to temporarily switch back to a regular 10/80 schedule. The transition guidelines below will apply to approval of such request to transition to the 40-hour schedule (Section F2, below) or back from the 40-hour

schedule (Section F1, below).

OVERTIME:

1. Overtime Earned

When an overtime-eligible employee is on a 9/80 work schedule, overtime for hours exceeding 40 in a workweek, both under the FLSA and as provided under any applicable M.O.U., will be based on the FLSA workweek. In other words, employees who are eligible for overtime shall receive overtime pay or compensatory time off for hours worked in excess of 36 or 44 hours in their respective scheduled (e.g., Saturday-Friday) calendar workweek.

Employees may also be eligible for overtime or compensatory time for other hours in excess of the regular 9/80 work schedule, as provided under the applicable M.O.U.

2. Overtime Paid

The 9/80 FLSA workweeks will not generally correspond with the City's pay periods. Therefore, where adjustments to overtime compensation cannot be calculated until the completion of the employee's workweek (e.g., when they occur in the last half of the 8 hour day), a one pay period's delay in the employee receiving the additional compensation may occur.

TRANSITIONING TO OR FROM A 9/80 WORK SCHEDULE

When an employee transitions from a 10/80, 4/10, or other 40-hour per week work schedule to a 9/80 work schedule, there will be a change to the beginning of the FLSA workweek. This results in a situation in which 4 hours fall in both the old workweek and the new workweek. The following procedures are designed to avoid an overtime obligation during this change. Any deviation from these procedures must be approved in advance by management.

1. Transitioning to a 9/80 Work Schedule

For a non-management employee, the transition to a 9/80 work schedule will be set to begin during a 36-hour calendar workweek, when an FDO occurs. Four hours in the new FLSA workweek will overlap with the prior 40 hour calendar work week, but

**CITY OF SANTA BARBARA ADMINISTRATIVE
POLICIES:**

Policy No. TBA

9/80 WORK SCHEDULE POLICY

Issued by: Barbara Barker, Human Resources Manager

Updated

because the following calendar week will contain 36 hours, this will result in 40 hours of straight time in the first new FLSA work week.

2. Transitioning to a normal 40 hour Work Schedule

For a non-management employee, the transition back to a normal 40-hour work week (e.g. "10/80" or "4/10") from a 9/80 work schedule will be set to begin the week following a 36-hour calendar work week. This will result in 40 hours of straight time in both the prior FLSA 9/80 work week and the new regular FLSA calendar work week.

While this change will not lead to overtime, this will result in the employee working only 72 hours in the pay period in which the change occurs. Employees must use 4 hours from their available leave banks to make up this time not worked. [To avoid this result, management would need to approve the employee to work an additional 4 hours during that pay period, recognizing that those hours will be paid at the overtime rate.]
