WORKERS' COMPENSATION

- *Injuries*
- *Medical Expenses*
- *Presumptive Injury*
- *Legal Process*
- *OSHA Mandates*

FINANCE

- Support** the principles that describe an industrial injury or illness using a narrow view on causation and definition of injury.
- Support** requiring the employee to prove by clear and convincing evidence that sudden or extraordinary employment conditions were the predominant causes for the injury.
- Support** existing workers' compensation laws to be liberally construed only after an injury is deemed "specific" and consists of serious physical or bodily harm.
- Support** the cost containment of medical expenses for workers' compensation claims.
- Oppose** regulations or legislation that would require increased employer medical costs for workers' compensation.
- Oppose** regulations or legislation that would expand the definition of a "presumptive" injury, or create new "presumptive" injury categories that lack a basis in current proven medical science.
- Oppose** legislation that would permit an employee to use more than one legal process in regard to disability claims (i.e., ADA, workers' compensation, DFEH), or any other erosion of the "exclusive remedy" principle as it relates to disability claims covered under workers' compensation.
- Oppose** any regulation or legislation that would alter current California law on disability benefits to expand eligibility for specific types of disability benefits to new or additional job classifications, or extend the term for disability benefits to an eligible employee beyond what is established by current California law.
- Support** principles that describe an occupational safety and health exposure using a narrow view on workplace causation based on current objective science.
- Oppose** regulations or legislation that would require increased employer costs for implementing occupational safety and health programs that lack a basis in current objective science.

GENERAL INSURANCE

FINANCE

- Oppose** regulations or legislation that would increase employer costs for mandated insurance coverage (i.e. general liability, automobile liability, etc.), including expanding employer coverage for personal property owned by an employee or volunteer.
- Oppose** regulations or legislation that would require a city to repair a sidewalk when the sidewalk damage is caused by privately owned plants or trees and hold a city liable for any injury resulting from the failure to repair the sidewalk.

PUBLIC SAFETY

Staff Liaison
Departments

Scope: federal and state legislation and issues related to law enforcement, fire and life safety policies, emergency communications and services, and disaster preparedness.

LAW ENFORCEMENT

- *Penalties*
- *Violent Offenders*
- *Cost Reimbursement*
- *Booking Fees*
- *Parking Citations*
- *Data Collection*
- *Predators*
- *Racial Profiling*
- *Deportable Criminals*

POLICE

Support the promotion of public safety through stiffer penalties for violent offenders, and protection and supplementation of additional funding for local agencies to recoup the costs of crime and increase community safety.

Support legislation which provides funding for local law enforcement agencies' acquisition of body cameras and related data storage and equipment.

Support legislation which expands the exemption under the California Public Records Act to include any audio or video recording created during an investigation, intelligence gathering operation, or the conducting of security procedures.

Oppose booking fees and seek their repeal, while encouraging localities to pursue resolution of the issues with their respective counties.

Support data collection on hate crimes based on race, national origin, religion, gender, or sexual orientation and improved federal-local communication and coordination on hate crimes.

Support legislation that builds trust between law enforcement agencies and the communities they serve, including the immigrant community, to ensure that individuals can safely report crimes and fully cooperate with local police and Sheriff departments.

Support federal action to identify predatory lending practices and increase federal enforcement action against lenders who target vulnerable populations, including, but not limited to, elderly, low-income families, and racial minorities.

Support federal anti-racial profiling legislation that provides financial support to state and local law enforcement agencies for training.

Support reimbursement by the federal government to local agencies, specifically cities, for the costs associated with incarcerating deportable criminals.

Support increased penalties for metal theft, and recognize that statewide regulation is needed to discourage "jurisdiction shopping."

PUBLIC SAFETY

FINANCE/COMMUNITY
DEVELOPMENT/PARKS
AND RECREATION

Support legislation and other efforts to increase the markets for recycled materials, including advance disposal fees, minimum content laws, and recycling market development zones.

Support legislation to strengthen manufacturer responsibility for electronic waste recycling.

Support efforts to strengthen curbside recycling programs.

Support legislation to expand the container types included in the California Redemption Value Program.

Support legislation that promotes reduced packaging and Extended Producer Responsibility (EPR).

Support legislation that requires owners of multi-unit housing to provide recycling to tenants.

Support legislation to limit landfill disposal of organic materials.

Support legislation to develop a permit process for solid waste anaerobic digestion and/or conversion technologies that are capable of minimizing the amount of solid waste landfill, and do not impede or impair existing and planned recycling and waste reduction programs.

Support legislation to encourage the development of non-burn transformation technologies by providing full diversion credit for the waste that jurisdictions send to non-burn transformation facilities.

Support legislation that prohibits dumping waste matter on public property or on private property without the consent of the owner, and makes this offense punishable by fines.

Support legislation and other efforts that facilitate collection and proper disposal of waste pharmaceuticals.

Support the right of cities under existing law to be designated as Local Enforcement Agencies for solid waste facility permitting, inspection, and enforcement.

Oppose legislation that would preempt local land use authority over solid waste facilities, restrict the ability of a city to issue a land use permit for a solid waste facility, or restrict the ability of a city to apply conditions to such facilities through the conditional use permit process.

Oppose legislation that would require local governments to give bidding or procurement preference to solid waste and transportation service contractors that agree to retain employees from the previous contractor.

Support legislation for source control of trash and litter that pollutes water bodies, including prohibitions on filtered cigarettes and single-use bottles.

Support legislation to provide changes to AB 939 (the California Integrated Waste Management Act) that will:

- Place more emphasis on implementation of waste diversion programs and less strict mathematical accounting; and
- Require Cal Recycle to evaluate the level of accuracy of the existing system the board uses to measure jurisdictions' achievement of the waste diversion requirements of state law and develop appropriate policies, in consultation with local jurisdictions, to account for any inaccuracies in the system.

SINGLE-USE CARRYOUT BAGS

FINANCE/COMMUNITY
DEVELOPMENT

Support comprehensive solutions for water quality, water conservation and water use efficiency as part of a solution that includes local resource development and infrastructure improvements, including storage and conveyance, as part of a statewide system that promotes economic and environmental sustainability.

Support state and federal funding for water resources infrastructure.

Support the development of additional groundwater and surface water storage.

Support desalination as a reliable water supply.

Support legislation to streamline water transfers among jurisdictions.

Support efforts for direct contracting for supplies from state and federal agencies.

Support appropriate funding sources for providing adequate water supply including, but are not limited to user fees, bonds and federal funding.

Support funding for the development of plans for short-term water emergencies and long-term cooperative water management plans and policies.

Support legislation to protect public agencies that provide wastewater treatment services, from liability for pollution or contamination to groundwater resulting from chemicals that are unlawfully discharged into the collection system.

Oppose mandates that set percentage goals for recycling of wastewater until regulations for direct potable reuse have been fully implemented.

Support efforts to improve the Federal Safe Drinking Water Act and the Federal Clean Water Act and implementation plans to protect public health and the environment in an efficient and effective manner.

Oppose legislation that requires the use of unreasonable numeric limits in waste discharge permits.

Support the rights of cities to enact ordinances that restrict the use of water softeners to minimize impacts to wastewater treatment operations.

Support legislation that encourages the cost-effective treatment of municipal wastewater, authorizes funding for projects improving, enhancing, or expanding the use of recycled water, and maximizes the responsible use of recycled water as an alternative to California’s fresh water supply.

Support efforts that expedite regulations expanding the uses of wastewater for direct and indirect potable reuse.

Support legislation that updates gray water standards, encourages simple and cost effective permitting process of gray water systems, and removes barriers to installing gray water systems in public, commercial, industrial, multi-family, and single-family projects.

Support the review and evaluation of proposals for state water taxes.

Support legislation providing rate subsidies for low-income rate payers.

Support the use of inclined block rate structures to encourage water conservation.

Support efforts that promote more flexibility to adjust water rates to achieve water use reductions during a water shortage emergency.

Support legislation to enhance and protect City’s control of its water supply resources.

Oppose legislation that would restrict the manner in which the City’s water supplies are managed.

Support state and federal funding and efforts for improved water infrastructure, water quality, beach and coastal resource protection and enhancement, wetland protection and enhancement, and urban creek restoration, especially for cities with a history of effective management of water and wastewater infrastructure.

Support as appropriate, state and federal legislative and administrative remedies that:

- Limit citizen lawsuits for minor technical violations of the Clean Water Act but continue to allow injunctive relief for documented violations resulting in substantial documented adverse impacts to water quality;
- Ensure that the funds collected from a city as fees, penalties, or judgments are directed toward correcting violations;
- Return limited discretion to state and regional water quality control boards in setting penalties to allow fairness based on severity and circumstances of the violation; and
- Encourage the state and regional water quality control boards to use their existing discretionary authority, consistent with the requirements of the Clean Water Act, to issue permits that are reasonably achievable.

Oppose legislation that requires the use of unreasonable numeric limits in storm water permits.

Oppose legislation to enact rewards for individuals who identify water quality or water pollution violators.

Oppose legislation or efforts which would limit public agencies ability to set contractor requirements and monitor for regulatory compliance in storm water pollution prevention.

Support state and federal legislation and programs that provide financing for affordable housing, including the development of fiscal tools and incentives to assist local governments in their efforts to encourage housing and finance the infrastructure to support housing, as well as ongoing state commitment to funding affordable housing.

Support legislation that provides funding for moderate income affordable housing (80% - 120% of area median income).

Support legislation that provides additional funding for the Low Income Housing Tax Credit Program.

Support state and federal legislation and programs that provide funding directly to local municipalities for decision-making at the local level instead of application-based awards.

Support legislation that establishes a permanent source of funding for affordable housing.

Support legislation that looks at the next generation of community revitalization tools including affordable housing development and preservation in light of the dissolution of redevelopment agencies.

Support federal funding for the Community Development Block Grant Program (CDBG) for community development, affordable housing, neighborhood improvement, and economic development needs.

Support federal funding for the HOME Investment Program that creates and preserves affordable housing for low-income families and individuals.

Support funding that creates and preserves affordable housing for military veterans.

Support the preservation of the HUD Section 8 Program funding.

Support at the federal level, the calculation of Section 8 "fair market rents" and "area median income" on a sub-regional basis, rather than on a countywide basis.

Support federal funding of: 1) New construction and rental assistance, modernization of units of elderly housing, also known as HUD Section 202; 2) Efforts to preserve elderly housing and permit nonprofit organizations to purchase elderly housing projects with expiring Section 8 contracts; and 3) Housing for persons with disabilities, also known as Section 811; 4) Homeless assistance grants, also known as McKinney-Vento (HEARTH) Act, as amended.

Oppose any legislation to reduce financing for the Section 8 Program, including block grants.

Support legislation that provides new incremental units of Section 8 voucher assistance nationwide, particularly in higher cost areas, and adequate voucher renewal funding.
