4. **801 ALSTON RD**
   - Assessor's Parcel Number: 015-174-019
   - Zone: RS-25
   - Application Number: PLN2022-00079
   - Owner: Sharon Ludtke, Ok Wave, LLC
   - Applicant: Haley Kolosieke, SEPPS, Inc.

(The site contains a City Structure of Merit, the Graholm Estate. Proposal to construct a 2,466 square foot detached accessory structure classified as a 6-car garage (the lower level will serve as a workshop space), replacement of approximately 5,400 square feet of existing impermeable pavers with new impermeable pavers, 924 square feet of landscaping, and grading approximately 670 cubic yards of cut and 35 cubic yards of fill. The project also proposes removal of a portion of a low site wall, and construction of new site walls at the lower-level man door, to accommodate construction of the garage. The site is developed with a 19,611 square foot residence.)
A. Concept Review. No final appealable action will take place at this hearing. Project will require Project Compatibility Findings and Hillside Design District and Sloped Lot Findings for Project Design Approval.

B. Requesting acceptance of a Phase II Historic Structures/Sites Report prepared by Dudek. The report concluded that all proposed new construction and modification to the Graholm property is in conformance with the Secretary of the Interior's Standards for Rehabilitation; and therefore, the proposed project's level of impact on historical resources will be less than significant (Class III).
