You don't often get email from dan@topoftheg.com. [Learn why this is important](#)

I have no issue with the substance of our neighbor's project to combine two buildings which is to be reviewed 7/17 by the full commission, but I want to use this forum to insist that the neighbor addresses the problem that has been going on for years: people, often several at a time, occupying for days on end multiple door entrances, and also spilling out to the adjoining driveway from Anacapa to the parking area adjacent to the Granada and the rear of the units on Victoria. Being hospitable is undoubtedly proper, but not when it leads to fostering new encampments that are not directly supported and overseen by the owner.

Respectfully submitted,

Dan Burnham
