

**City of Santa Barbara**  
Parks and Recreation Department

**Memorandum**

**DATE:** April 14, 2022

**TO:** Mayor and Council  
Parks and Recreation Commission

**FROM:** Golf Advisory Committee

**SUBJECT:** **RECOMMENDATION FOR THE GOLF DIVISION FISCAL YEAR 2023 BUDGET**

---

On April 13, 2022, the Golf Advisory Committee (Committee) reviewed the proposed Golf Division Fiscal Years (FY) 2023 budget and unanimously approved the following motion:

**That the Golf Advisory Committee Recommend to the Parks and Recreation Commission and City Council the:**

- A: Operating Budget for FY 2023**
- B: Capital Budget for FY 2023**
- C: Fees and Charges for FY 2023**

Dominic Namnath, Chair of the Committee:

“On behalf of the Golf Advisory Committee I would like to express our support for the budget we unanimously approved on April 13, 2022. We feel that the priorities addressed in the budget are aligned with those things that are important to the golfers that use Santa Barbara Golf Club.

We also feel that the recommendations for capital improvements are important for the sustainability and quality of the Golf Course. The changes to the fee structure are appropriate and will not detract from the enjoyment and overall use of the Golf Course – it is still the best value in the area.”
