To Whom It May Concern,

We are residents on Canon Drive in Santa Barbara. Yesterday 4/28 we received notification of a hearing date on May 6, 2024 regarding a dwelling unit at 215 Canon Drive. Unfortunately, we will be out of town on May 6 and unable to attend the hearing. We are very aware of this project for a younger couple related to longtime residents of Canon Drive. I want to be sure and show support for this project. Though remodels, upgrades and construction have gone on since we moved to Canon over 10 years ago, the results have always been to improve and enhance this very special neighborhood. In addition to the construction the couple who are going to live in this unit are of the highest standards and will certainly assure that minimal disruption or inconvenience is brought to nearby residents.

Thankyou for your attention to the support we wish to give to this project.
