Hello,

I am writing in support of allowing this project to exceed standard wall heights, The property owner's design is, I feel, absolutely warranted and a lovely, thoughtful enhancement to the curb appeal of his home as well as to our neighborhood. I reside just a few doors down from the owner and am beyond pleased to see this beautiful landscaping project being undertaken. I know my late husband, Bruce Bartlett, architect and previous planning commissioner and ABR member, would agree. He and I always became excited to see well done stone work in Santa Barbara, feeling it to add so much to the historical beauty of our unique city. Please allow the owner to proceed with his project as designed.

Thank you,

Ann Bartlett
